School Bus Safety Information.

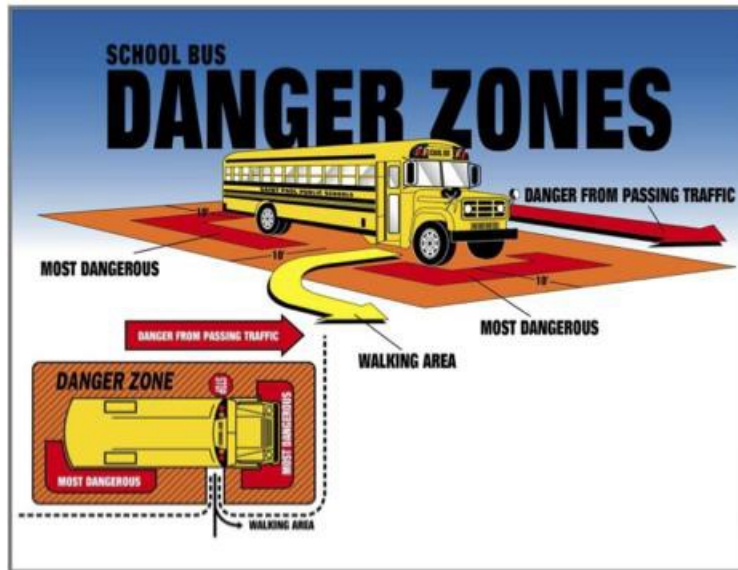

Riding the school bus is a privilege, not a right. Please discuss the following with your children.

1. A privilege is granted as a special benefit or advantage and may be suspended or revoked. The privilege of riding one of the School's buses must be earned by exhibiting good behavior while on the bus.
2. The bus drivers are responsible for the safety of their passengers. They must be as free as possible to devote full attention to driving safety. Any distraction caused by passengers makes the driver's job more difficult and compromises everyone's safety.
3. The school day begins at the bus stop and continues through the end of the bus ride home. Poor conduct is not tolerated in the classroom and will not be tolerated on the bus. Inappropriate behavior on the bus may result in assigned seating on the bus, or suspension or revocation of bus riding privileges.
4. Students must wear a seat belt at all times during the bus journey. Students found to be taking off seatbelts during the journey may be suspended from riding the bus.

Appropriate bus conduct is essential for the safety of all. Please discuss the following with your children.

1. Since most serious student injuries occur just prior to boarding or just after exiting the school bus, certain precautions must be taken to ensure safety.
2. The DANGER ZONES are the areas within ten feet of the bus in any direction. If you can touch the bus, you are too close. It is important to stay out of the DANGER ZONES in order to be seen by the busdriver.

[See diagram on next page]

3. Students who are walking through or standing in the DANGER ZONES are very likely to be outside of the bus driver's field of vision. When boarding and exiting the bus, stay out of the DANGER ZONE.
4. If you can see the bus driver's eyes, the bus driver can see you. If you cannot see the bus driver's eyes, then the bus driver very likely cannot see you.
5. Students who must cross the street after exiting the bus need to be aware of the hazards presented by other vehicles that might fail to stop for the bus. Students must never cross the street behind the bus.
6. Be on time. You must be at your bus stop ten minutes before the bus is scheduled to arrive. If the bus arrives on time, the driver will stop, look up and down the street for students, and leave if none are at the location or coming to the location. If you miss the bus it is your responsibility to find a way to school.
7. Always sit down. Your personal safety as well as the safety of others is at risk if you stand while the bus is moving. You must remain seated until the bus comes to a complete stop at school or at your drop off location. You must wear a seatbelt at all times and until the bus fully stops at its final destination.
8. Be courteous. No fighting, swearing, or yelling. Fighting and swearing may be cause for suspension from school or the loss of bus riding privileges. There is ZERO tolerance for violence. Violence includes physical and verbal attacks or intimidation. This policy applies to time spent on the bus and at the bus pick up and drop off locations.
9. No eating or drinking. Students are not permitted to eat or drink on the bus.
10. Keep the bus clean. Nobody should have to ride on a bus that is messy or filled with trash. Each student shares the responsibility of keeping the bus clean. Any repair costs due to willful damage or acts of vandalism will be billed to the student responsible for the damage.

11. Only registered students are permitted to ride on the school bus. Non-enrolled friends will not be permitted.

Correct procedures for boarding the bus are as follows:

1. Wait at least 10 feet from the street until the bus comes to a full stop.
2. Form a single line.
3. Do not crowd or push.
4. Use the handrail.
5. Take the steps one at a time.
6. Go straight to your seat.
7. Fasten seatbelt correctly.
8. Stay in that seat until the bus arrives at school.

Procedures for exiting the bus are as follows:

1. Wait until the bus is completely stopped at your drop off locations or at school.
2. Unfasten seatbelt only when bus has come to a complete stop
3. Stand up and go straight to the front of the bus.
4. Do not go back for dropped or forgotten items; tell the bus driver.
5. Do not crowd or push, wait your turn.
6. Use the handrail.
7. Take the steps one at a time.
8. Move away from the bus immediately (get out of the DANGER ZONE).

Procedures for safely crossing the street in front of the bus are as:

1. Tell the bus driver you need to cross.
2. After exiting the bus, move directly to the sidewalk and out of the DANGER ZONE.
3. Move forward of the bus to a spot at least ten feet ahead of the front bumper.
4. Turn back to look at the bus driver and make eye contact.
5. When the driver gives the signal, cross the street while checking continuously for oncoming vehicles.
6. After reaching the opposite side of the street, move onto the sidewalk and proceed directly home.
7. If you hear a horn of any kind as you begin to cross the street, return to the sidewalk where you were dropped

By signing below, I acknowledge that I have read, understand, and agree to the TERMS AND CONDITIONS of this Agreement as well as those within the 2022/23 Bus Policy, and have discussed and explained the School Bus Safety Information to my child(ren).
