International School · Geneva

## Welcome to Old Portena

Old Portena lies at the centre of the campus in a quiet area on the Primary side of the school. It is a house for around 20 junior girls who find it to be an extremely welcoming home. Rooms are a mixture of 2, 3 and 4 sharing, which helps the girls integrate and make friends when they first arrive. There is a fully equipped kitchen, a laundry and a sitting room with a television and Wii. The house has Wi-Fi access, and all rooms have desks.

### Students view:

“Old Portena is a very cool boarding house to live in. The advantage of living in a small house is that you really get to know each other well and love each other.

We have learned that when we work together, no one can stop us because to us, everything is possible.”
