Welcome to Léman

Léman House is the original heart of our school, in the centre of our campus. The building has been redeveloped over many years and this year was refreshed to give excellent boarding facilities for over 50 boys from grades 9 to 12. Every room has desks, Wi-Fi, and en-suite toilet and shower facilities. Outside there is a paved roof terrace with tables and chairs.

The house furniture has also been renewed. Rooms are generally twin-sharing room, there is a fully equipped kitchen, a laundry, and a sitting room with a television and Wii.

Students view:

“ I like my House because I have a good relationship with my House parents. I have a good room and in my opinion, Lemman is the heart of CDL and is the best location.

Also, meeting people from new countries is very important and Lemman being one of the biggest houses allows me to do that.”
