Welcome to Concha Annexe

Concha Annexe House has a cosy and welcoming atmosphere. It has recently been renovated to give excellent boarding facilities to students in grades 9 and 10 and is located inside our secure campus. All rooms are twin-sharing, with desks and Wi-Fi.

We have a fully equipped kitchen, sitting room with televisions and Wii, a beautiful large garden with space for football and other lawn games, including a swimming pool which is open in the summer, and a paved patio with a barbeque, table and chairs.

Students view:

“Concha annexe is a small place, however it’s full of fun and enjoyment.

All the students and staff are very friendly and it is easy to integrate in to school life and keep up the spirit of respect and excellence.

From my point of view Concha is the model house and sets an example of how all boarding houses should operate.”
