

Léman Family Association (LFA) Work

There are various school supporting activities and community-building initiatives throughout the year.

Parents Support

Welcome New Families

We are glad to have new families with us! We understand that starting a new school or moving to a new country can be overwhelming, hence the LFA assigns dedicated resources to make the transition with ease. LFA parents are very happy to share school and community information and their personal experience to help new families start their school journeys smoothly and feel welcomed and supported.

Homeroom Parents/ Grade Parents

All classes in Léman Primary and Early Years classes have Homeroom Parents while Secondary classes have grade parents. Homeroom / Grade parents play a vital role as the liaison between teachers and other parents in the areas of:

- Disseminating important class information;
- Communicating LFA news and upcoming events, looking for volunteers;
- Sharing and brainstorming ideas to best assist their kids at classroom learning.

The LFA committee manages the communication in timely manner. We know from parents' feedback that it is useful and helpful to keep parents fully engaged with their kids, class routines and school activities.

School Support

Sports

Léman has been hosting tournaments with athletes from Nord Anglia and ACAMIS regional schools. In CISA Léman hosts the vast majority of sporting events and welcomes the other schools to our best

on-campus-sporting facilities. We are proud of our students fantastic results in all sports, i.e. Soccer, Volleyball, Basketball, Cross Country and Swimming. Léman parents provide LFA support to the PE staff to encourage students to be actively involved in Léman athletics and organises parents to support sporting events at Léman.

Traditions

Traditions are an important part of Léman and students love it. Léman parents have played an active role in the celebrations of;

- Halloween,
- Christmas,
- Chinese New Year,
- Easter / Fair Day,
- International Day.

At Halloween Léman parents decorate the space, collect and pack candies; At Christmas Santa greets students with treats under the Christmas tree. At Chinese New Year lions dance in the school hall. At Easter Fair Day parents celebrate the green spring with bunnies and eggs for kids to explore; International Day is the most anticipated and well-attended event of the year, parents grouped by country/region prepared to encourage knowledge and understanding of the diverse world we live in.

Pre-Loved Uniform Shop

The new and gently used uniform clothing across all ages are collected and stored in our space at school, for students and families to re-use. Donations are always welcome. The pre-loved uniform shop is organised and managed by parent volunteers.

Students Support

Reward

The LFA creates a reward system to recognise outstanding students and asks them to share with others.

Read to Learn

Reading is one of the most important skills for students to learn. In order to help students develop a love of reading, LFA parents call for books' donation, parent volunteers to read story books at the library and in the classroom, identify book agencies and invite authors meet and talk to our kids.

Parents Talent Share & Field Trip

The LFA never lack talented parents who volunteer to stand in the classroom, sharing their background, career skills, innovations, functional expertise and learning experience, which generates active Q&A and discussions. By doing this we want to help our students build their international view and understand diversity. Léman parents also welcome students to visit their work place and practice in collaboration with teachers.

Social & Communities

LFA Coffee Morning Meeting

This is the first meeting when term starts to invite all Léman parents to meet, know each other and build links to the school. The Léman leadership team is invited too, so parents could have an overview of the school's plans and LFA initiatives for the entire school year.

Parents Get Engaged

There are various social activities throughout the entire school year for Léman parents to get engaged and brainstorm how we can do more to help our students.

- LFA Lunch-on;
- CPR and Trauma Dressing Workshop;
- Austrian Brain Develop Expert.

Teacher's Appreciation

As parents we appreciate Léman teachers and staff for their hardworking and care towards students. Hence, we have events to show our appreciation and socialise with Léman staff in a fun and respectful environment out of school.

- Staff-Parent Social with Latin Music;
- Teacher's Appreciation Lunch.

Parents' Interests & Hobbies

LFA has classes for parents to show and develop personal interests:

- Cooking & Bakery;
- Dancing;
- Yoga & Fitness.

LFA Fund Raising

LFA is entitled to raise funds for the administration and activities of the association.
