Co-Curricular Activities Booklet

Term 3 2024

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which positively impact many facets of their development, including academic progress. The diverse co-curricular programme is designed to enhance the core curriculum and provide opportunities for students to broaden their interests and perspectives of the world as they develop a range of skills including social, emotional, leadership, independence, collaboration, moral reasoning, decision making, problem solving, and critical thinking.

There is an extensive range of CCAs on offer with over one hundred different activities to choose from each week at the BIS Secondary Campus. Whether you enjoy art, music, drama, sport, languages, solving mathematical or scientific problems, helping disadvantaged groups or just wanting to try something new, there should be a club available for you.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enjoyable and challenging experiences above and beyond the timetabled curriculum
- To allow competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and other experiences that involve creative thinking.
- **Activity:** Physical exertion contributes to a healthy lifestyle.
- **Service:** Any collaborative and reciprocal community engagement in response to an authentic need.

Sports Information

BIS HCMC is delighted to be competing in sporting competitions this year, both locally and internationally. We are competing in the highest tiers of sport in the SISAC (Saigon) and FOBISIA (Asia) tournaments, as well as a host of invitational tournaments at home and abroad. Therefore, to prepare our students for performing at the highest level, we will be running sport in the following pathways:

- Student led sports leadership CCAs
- Recreational sporting CCAs
- Selective sporting squad CCAs
- Paid third party sporting CCAs

The PE department looks forward to seeing the BIS Sports Stars of the future continue their winning ways this term!

Selection for Sports teams:

If the number of students for any sports activity is greater than the maximum capacity, students will undergo a trial and be notified of this during their first session. This means a student could initially be accepted for the CCA and removed after the trial.

For students not accepted following the trials, the PE department will endeavour to run a parallel recreational club during the same session for the same age group. Therefore, if a student has a poor trial or significantly improves their skill level, then the squad coach will be able to assess the student and potentially accept them into the squad at a later time.

Please note, as competitive Sport runs as seasons and not terms (Sep - Nov, Nov - Feb, Feb - May and May-June), some clubs that start in November will stop in February, whilst others will start in February and run into Term 3.

Music

Any students interested in signing up for the Chamber Choir, Symphony Orchestra (previously called Chamber Orchestra) or Concert Band should speak to Mr Alexander to arrange an audition.

Paid Activities

There are a number of paid activities that students can sign up for which are provided by external individuals and organisations. Kindly note that these are subject to change in accordance with health and safety regulations.

All of the information regarding these is detailed in the online activities booklet. If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

The payment deadline for all clubs is **Monday 15th April 2024**

Activity dates for Term 2 2023-24:

CCAs Start: **Monday 13th May 2024**

CCAs End: **Sunday 16th June 2024**

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons. There are two sessions each afternoon with a five-minute change-over period (2:50 pm – 3:50 pm and 3:55 pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55 pm will need to arrange their own transport home and should consider this before selection.

CCA Selection – using SchoolsBuddy online

Activities need to be selected using the online SchoolsBuddy system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your online SchoolsBuddy homepage. Both the student and their parents will also receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (SchoolsBuddy) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

Wishing you all a wonderful final term.

Guidelines for students using SCHOOLSBUDDY to select CCAs

On the Secondary Campus, there is the expectation that students independently manage their sign up and club selection themselves using SchoolsBuddy.

Friday 29th March at 5pm

Students will be able to sign up on SCHOOLSBUDDY

(for Term 3 activities)

The activities booklet will be updated and available on the school website (link below)

<https://bishcmc.schoolsbuddy.net/>

Friday 5th April at 5pm

Selection on SCHOOLSBUDDY will close

Wednesday 10th April

Students and parents to be notified of their chosen CCAs

SCHOOLSBUDDY has been set up for you to use on a daily basis to select and track all your chosen activities.

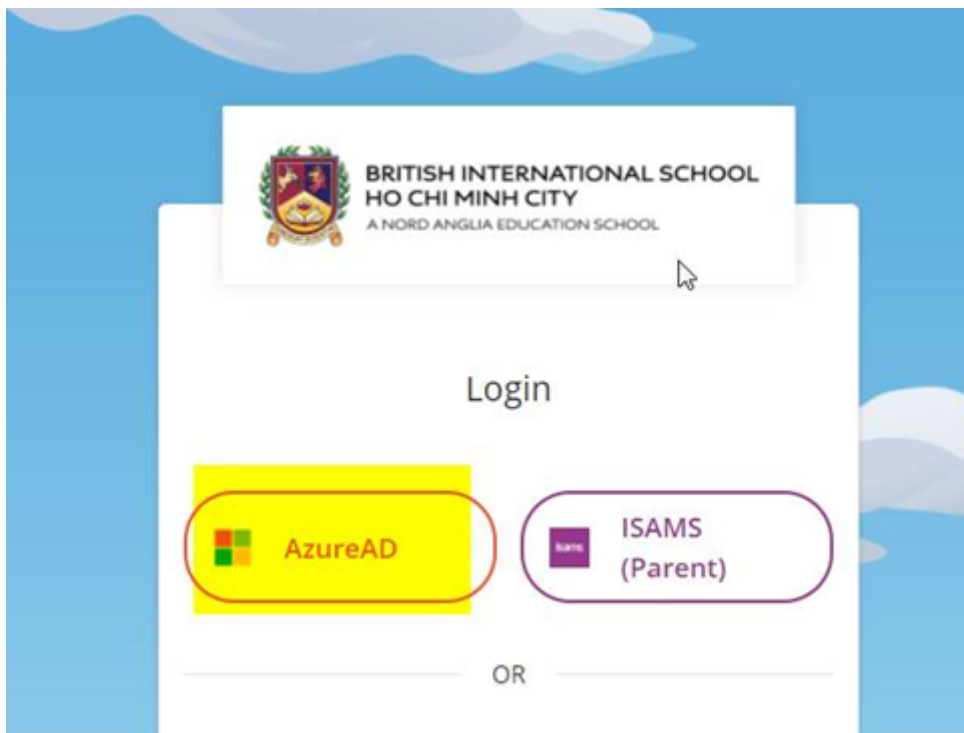

Students, please follow the instructions below to log on and select your desired activities/paid clubs:

To access the BIS SCHOOLSBUDDY portal please click on the following link:

<https://bishcmc.schoolsbuddy.net/>

You can also access SCHOOLSBUDDY from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Parent Essentials" section and click on SchoolsBuddy.

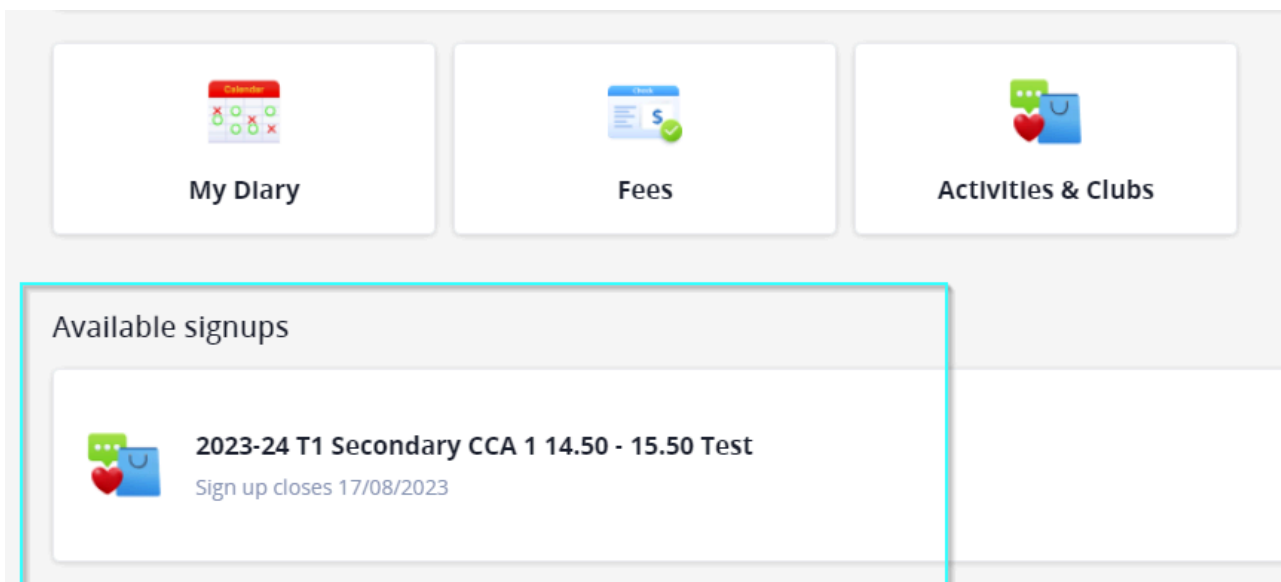

Click on "Azure AD" - there is no need to enter a username or password.

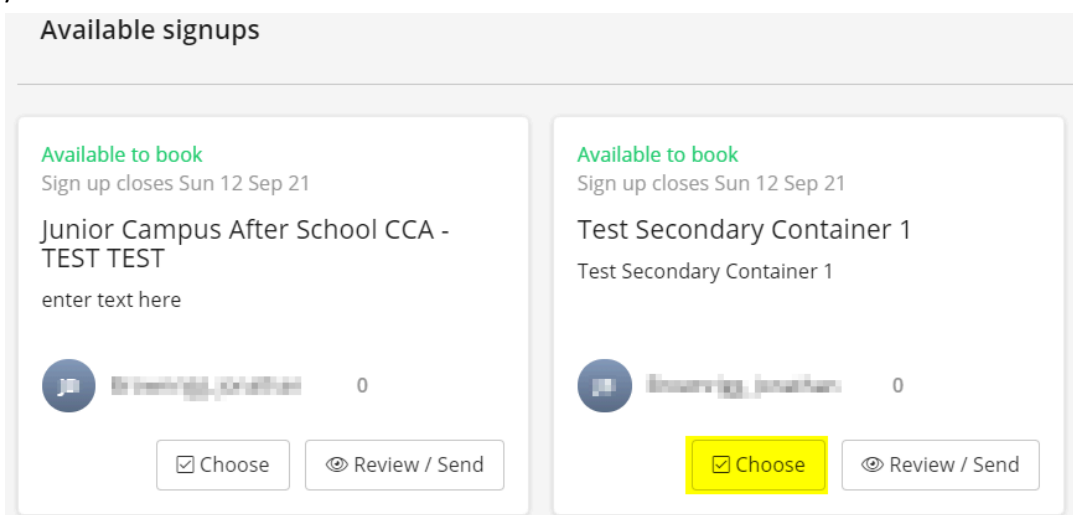

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

Making After School Club Selections (CCAs)

1. Click the 'Activities & Clubs' tab, or click on an Available signups container.

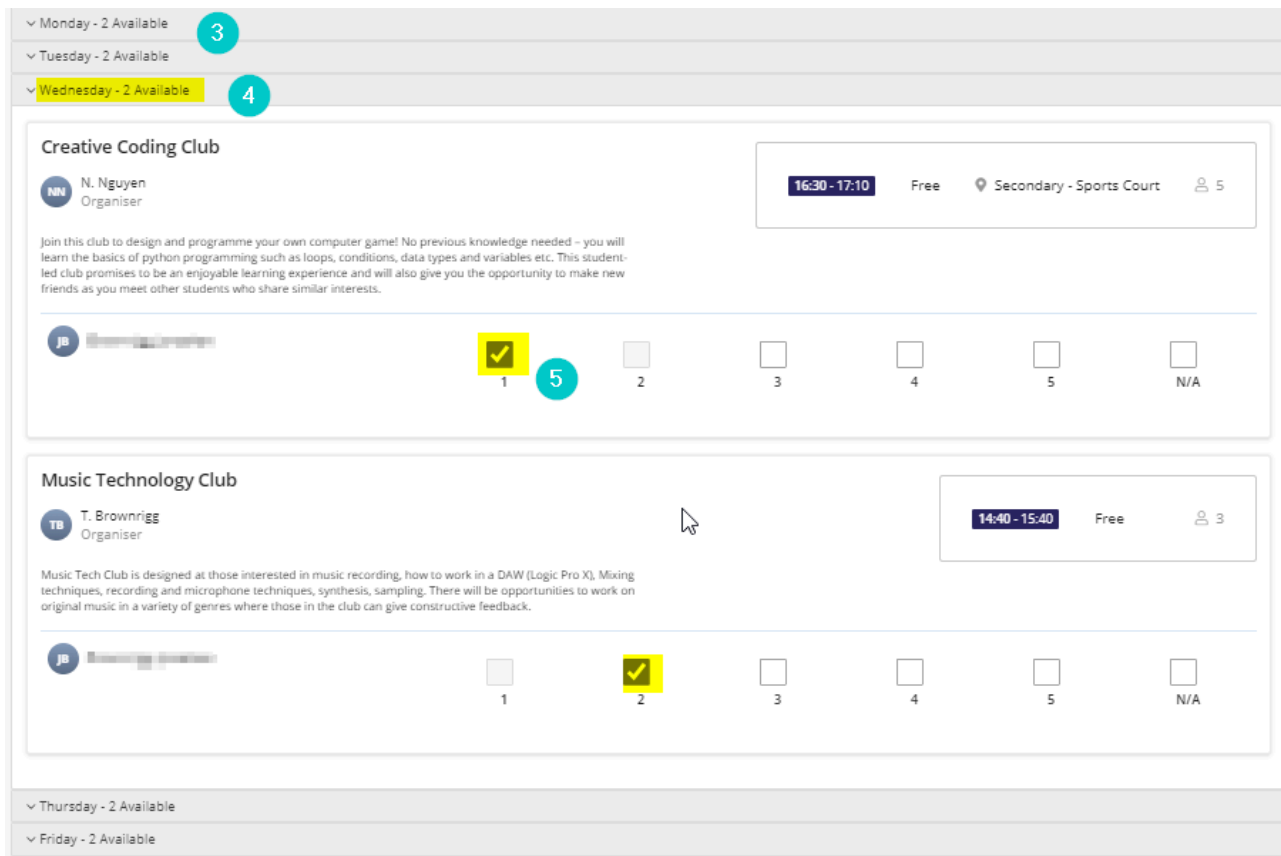

- Depending on the activities, clubs and care your school provides, you may see just one or multiple boxes similar to the one below. They should be clearly labelled so you can see what is available to you. Click the 'choose' button.

- From there, the clubs that are available will be shown by day of the week.
- Click the day of the week to expand the section.
- Select your preferences for each club for the desired day of the week.

In the example below, Bobby Smith has selected Creative Coding Club on a Wednesday as their first choice, but, in case there are not enough spaces, Bobby has selected Music Technology Club as a second preference. Bobby is trying to ensure that they have a club on a Wednesday but show the school that they would prefer to do Creative Coding.

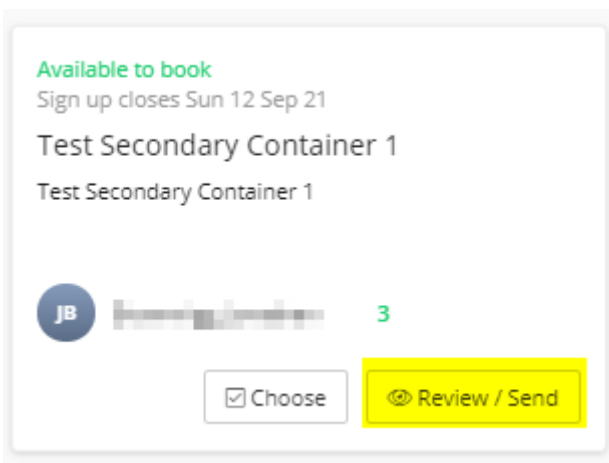

It is fine to leave some clubs without any preference selections, the tick will remain in the N/A box to show that you do not wish to select this club.

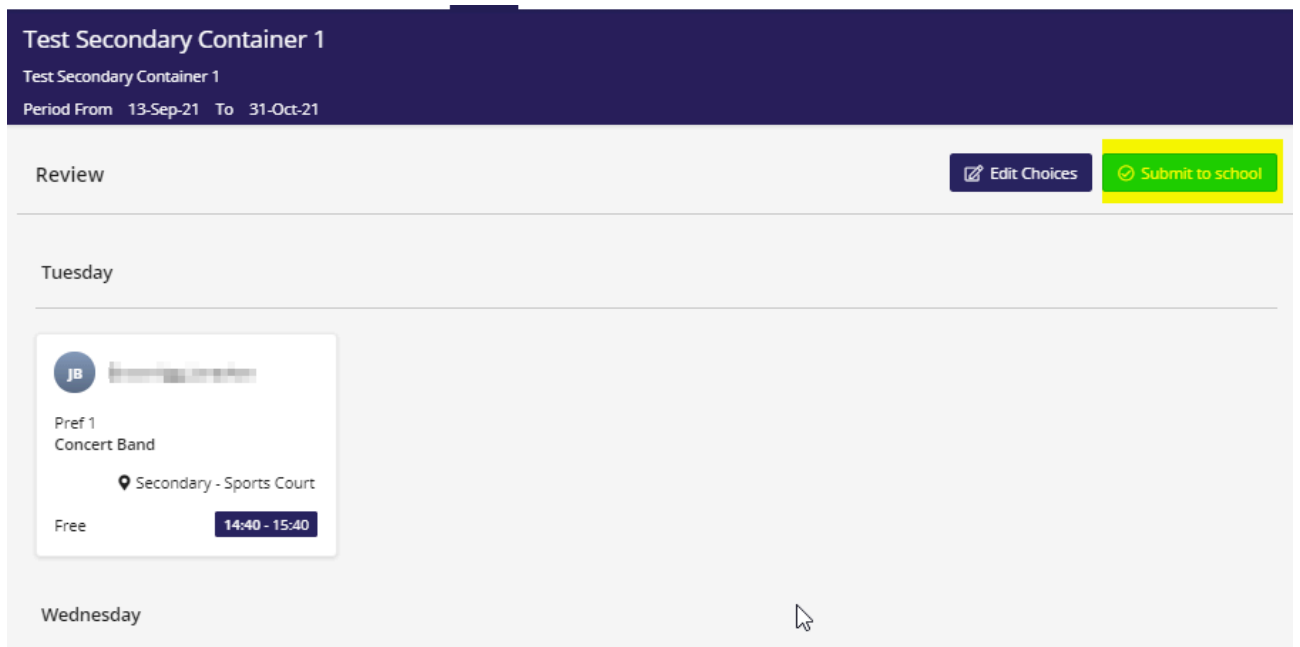

- When you have made selections for each of the days you would like, click the blue 'Next' button which can be found at the top right of the screen. Alternatively, you can also click 'Save for Later' and complete it later.

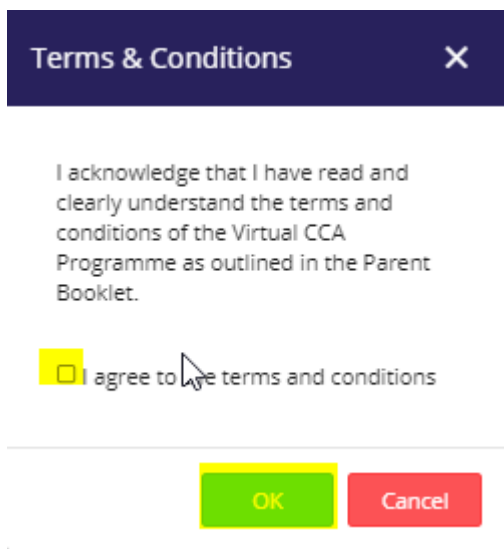

If you save for later, when you return to the Activities & Clubs tab, click the Review/Send button to complete your selections and send them to the school.

- You can click 'Edit Choices' to make changes if needed. When you are happy with your choices click 'Submit to school'.

8. Agree to the terms and conditions of the after-school clubs and your preferences will be sent to your School.

9. You will receive an email communication confirming your selections. An example of this is shown below.

Dear **Mr Phuong**

This is to confirm that your selections for Test Junior Test have been sent to the school.

Groups SELECTED:

Group	Pupil	Day of week	Time	Location	Teacher	Cost	Pref
Homework Club	Student3, Test	Mon	14:40-15:40	Junior - Gym	Nguyen	Free VND	1

Badminton	Student3, Test	Fri	14:40-15:40	Junior - Gym	Khuong	Free VND	2

Log into your SchoolsBuddy account for further details.

**If this email does not contain any selections then this will be because you have a sibling or another child at British International School Ho Chi Minh City and selections have only been submitted for them.

Many thanks

British International School Ho Chi Minh City and the SchoolsBuddy team.

[Go to the British International School Ho Chi Minh City SchoolsBuddy Portal](#)

11. When we have processed the after school club allocations, you will receive a further email communication showing which clubs you have been allocated or not allocated.
12. Your Diary will be automatically populated with the time and date of the events of the clubs/activities allocated to you.

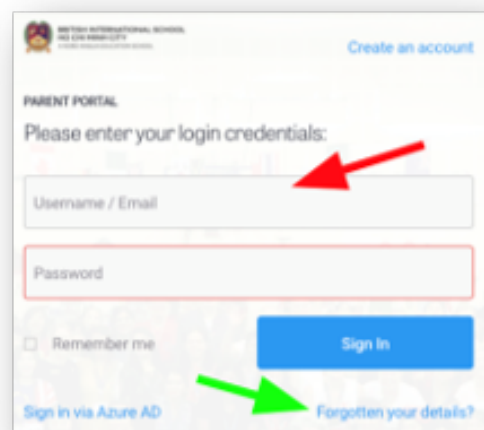

Guidelines for Parents using SCHOOLSBUDDY to check student activities

Please note that information will only be available on SchoolsBuddy after the system goes live at 5:00pm on Friday 29th March 2024 and before closing at 5:00pm on Friday 5th April 2024.

Only students may select CCAs - parental access is available to track their child's activities. It can be found by going to the SchoolsBuddy website: <https://bishcmc.schoolsbuddy.net>

After clicking the link above, you will be directed to the login page. Do not add your email directly to this page, but instead, click on iSAMS (Parent) as seen to the left.

This will direct you to the iSAMS login page.

Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. You can click the 'View all' button to see all welcome messages from school and check the link to the CCA booklets.

The screenshot displays the SchoolsBuddy dashboard for a parent. At the top left, the school's logo and name "British International School Ho Chi Minh City" are visible. On the top right, there are notification icons for messages (110), a calendar (1), and a user profile labeled "PARENT" with initials "TK".

The main content area features a yellow banner with the text "Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!" and a "View all" button. Below this, the dashboard is divided into three sections:

- Calendar:** Shows "AUG Wednesday 16".
- Events:** A message stating "There are no upcoming events today."
- Financial Summary:**
 - My Wallet:** 0.00 (green icon)
 - Outstanding fees:** 0.00 (orange icon)
 - Voucher balance:** 0.00 (blue icon)

If the welcome message has been closed on your dashboard, please reload your SchoolsBuddy page to see it again.

MONDAY

ACTIVITY	YEAR	TIME START	TIME END	MAX No.	TEACHER	FACILITY	DETAIL/NOTES
The Economese Project	Year 12	14:50	15:50	15	Phu Khanh Hoa Thai	Secondary - Room 108	This club is an opportunity to connect our school with 1 of our Vietnamese community partners as we would love to bring 15 Vietnamese students that are between the ages of 15-17 years old to our school and teach them about Vietnam's developing economy, as we are all students that have strong economics and business passions. Our lesson plans will be based around the economics that we were taught throughout our GCSE journey and we will zoom into the Vietnamese economy and how it plays such a vital role in the global market. Moreover, we would like to show our community partner students the wider picture such as the stock market and global trade relations. As economics is such a vast topic, we will be able to adapt to the students' interests and we hope this is a successful way for our school and our community to bond and importantly to learn and grow together. As I was in another club called 'Economics Honors Society' where we were taught the basics of the stock market using a simulation online called Investopedia, I would also like to use this tool to teach our Vietnamese students about how the stock market functions and its fundamentals, therefore we decided to use a computer room. In addition, I took part in a club called 'Teaching English' where we taught foreign Vietnamese students about the basics of our language. I found it amazing and my friends and I were inspired to create 'Project Economics' as it would bond the 2 previous clubs together. We truly hope that our club gets through since we would love to grow it and expand in the future as we become more experienced.
The Polinomics Bulletin	Year 7, Year 8, Year 9, Year 10, Year 11, Year 12, Year 13	12:10	12:55	20	Paul Moore-Bridger	Secondary - Room 221	A student led club focusing on making you a global citizen. In 'The Polinomics Bulletin' (198), you will learn important skills and gain knowledge on topics including stocks, taxes and law. You will also practice writing articles, which will be published onto our website. We want to focus on writing opinion articles (discussing big topics in economics and politics), helping you to improve your English language skills as well as preparing you for your English language exams. By researching and writing articles, you will gain the opportunity to learn about the things that you are interested in (such as cryptocurrency, US politics, or copyright laws, for example) while also helping you to produce something that you can show off to your friends, family, and even your future colleges. On the other hand, if you want to take a more laid-back approach, you could write articles on your hobbies, such as games (e.g. "best character in... and why"), food (e.g. "how to make... with home ingredients") or your other hobbies (e.g. "top ten beginner tips for badminton"), and so much more. These "laid-back" articles will also be published on our website, just in it's own section. This club will allow you to improve your writing skills, help you to lay out your thoughts, as well as helping you to become a better communicator.
U13-15 Recreational Volleyball - Student led	Year 7, Year 8, Year 9, Year 10	14:50	15:50	24	Jim Dace	Secondary - Sports Court	Come and enjoy playing this sport for fun with friends.
U13 Recreational Football	Year 7, Year 8	14:50	15:50	24	Robert Brownrigg	Secondary - Astro	Come and enjoy playing this sport for fun with friends in a social manner.
Yoga for beginners	Year 9, Year 10, Year 11, Year 12, Year 13	14:50	15:50	8	Elena Fuentes & Lorena Jimenez	Secondary - Astro	Have you ever heard of the Downward-Facing Dog pose? Do you want to feel like a warrior? Would you like to improve your balance and strength while finishing the year in a relaxing way? Then this club is for you! We will cover the yoga basics, and move on to more advanced poses as the weeks go by. Namaste!

Dungeons and Dragons Club	Year 7, Year 8, Year 9, Year 10, Year 11	14:50	15:50	30	Mark Jones	Secondary - Room 432	Dungeons is a roleplaying game about storytelling in worlds of swords and sorcery. It shares elements with childhood games of make-believe. Like those games, D&D is driven by imagination. It about picturing the towering castle beneath the stormy night sky and imagining how a fantasy adventurer might react to the challenges that come presents. Players roll dice to resolve whether their attacks hit or miss or whether their adventures can scale a cliff, roll away from the strike of a magical lightning bolt, or roll some other dangerous task. Anything is possible, but the dice make some outcomes more probable than others. Working together, the group might explore a dark dungeon, a ruined city, a haunted castle, a lost temple deep in a jungle, or a lava-filled cavern beneath a mysterious mountain. The adventurers can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.
