

13IB VA Summer Art Assignment

The 13IB VA class will have a class critique on your entire Summer art production on the first week of class.

A. Create 3 free projects in any size and media.

Include the process (photos of the evolution, ideas development), and a full label (title, media used, size), and a 500 characters max. text on your intentions/meaning of the work/source of inspiration).

B. Make 2 observational drawings in pencil on paper

C. Create a series of 5 photos.

Choose 1 common theme for the series.

Filters are allowed as long as you mention what you have used. Print them on A4 paper and bring to the first Visual Arts class.

D. Visit a museum, a gallery or an art fair. See art up close.

Take photos of artworks that interest you, take the photo of the label too.

Select 5-10 max photos of artworks from your visit.

Create a 2-3 slides presentation. Add the name of the exhibition, name of the art institution, and its location. On each slide add the photo of the artwork, its label and one sentence explaining what interests you in this artwork.

The Summer assignment is due in August on the first Visual Arts class.

Let me know if you have any questions.

Happy Summer Art!
