# NORD ANGLIA EDUCATION SUMMER PROGRAMMES

## UK COURSES FOR 11 TO 18 YEAR OLDS

At Nord Anglia Education we're proud to launch our new Short Courses programme offering high-quality summer programmes which will bring together students from around the world.

The STEAM Pioneers Summer Programme is a dynamic course for students aged 11 to 15 who want to explore their passion for Science, Technology, Engineering, Art and Maths (STEAM). The programme allows students to discover new strengths and have fun with friends, as well as enjoying time outdoors on the campus, with excursions to London and other cultural sites.

The Headstart Summer Programme is an immersive and dynamic course for driven high school students aged 16 to 18 years old who are preparing for their future academic careers. The course is a comprehensive academic and activity programme where students will spend time developing their knowledge and critical thinking skills, as well as visiting Oxford and Cambridge Universities, University College London, and other top universities in the UK.

#### AT A GLANCE

An exciting opportunity to join an academic summer programme with young learners coming together from across the globe.

##### **Nord Anglia Education STEAM Pioneers Summer Programme**

- 11-15 year olds
- 1, 2, 3 or 4 weeks study options

##### **Nord Anglia Education Headstart Summer Programme**

- 16-18 year olds
- 2 or 4 weeks study options

2–30 JULY 2024

# NORD ANGLIA EDUCATION STEAM PIONEERS SUMMER PROGRAMME

## 11–15 YEAR OLDS

This programme is a unique opportunity for students to build their understanding of Science, Technology, Engineering, Art and Maths by actively applying scientific concepts outside of the classroom.

### WHAT

This course places a strong emphasis on enriching arts and sciences. Students will engage in hands-on activities with dedicated teachers who provide tailored support. Maths is approached practically, and students will have the opportunity to connect with Nord Anglia peers from across the globe.

### WHO

The programme is for students who want to explore their passion for different subjects via fun, educational and practical workshops run by experts, designed to stimulate their interest long term. The themes of the workshops can include: Aeronautics, robotics, engineering, forensics, architecture, design and biodiversity.

### WHY

A STEAM focused programme is an ideal way for students to learn more about critically important subject areas in a fun and engaging way, as they start considering their path through secondary school, college, and beyond. Students will also have the opportunity to relax on the Brighton Campus and take part in exciting cultural experiences in the surrounding area with trips to London and Oxford.

## WORKSHOP HIGHLIGHTS

Alongside the STEAM lessons, students take part in a series of workshops led by industry professionals.

### AERONAUTICS

Students taking part in our Drone Coding workshop will learn to code the flight patterns of their drones using block programming or Swift coding language (used to develop apps on iPhone and iPad). They'll provide algorithms to their drone to help guide it safely around a course or to perform a coordinated routine. This encourages students to use creative thinking to find solutions to a challenging problem.

### FORENSIC SCIENCE

The 'Whodunit' forensic science workshop is a highly unique and interactive activity. It sees students examine a crime scene, investigate a murder based on a real-life case and ends in the fight of their life presenting the evidence in a mock courtroom trial. The day inspires students, gives them focus, confidence, and

helps them apply theory into practice through a range of practical exercises.

The activity boosts students' knowledge of the sciences and gives them a better understanding of how literacy and communication skills are required in professional scientific occupations.

### PREPARE ROBOTS

Students will build robots using LEGO® MINDSTORMS® and code them using an easy to use graphical environment.

This gripping activity broadens students' knowledge and understanding about some key concepts from the fields of science, engineering, technology and mathematics. Coding in class has never been more fun!

# NORD ANGLIA EDUCATION STEAM PIONEERS TIMETABLE & EXCURSIONS

The STEAM Pioneers Summer Programme runs for a duration of one, two, three or four weeks, with classroom based activities taking place in the morning and excursions or project work in the afternoon.

	8.00-8.30 Breakfast	12.00-12.45 Lunch	6.00-6.45 Dinner	10.00 Lights out
	MORNING	AFTERNOON	EVENING	
MONDAY	Arrivals	Arrivals	Welcome games	
TUESDAY	Excursion – London tour (Central London Walks)	Excursion – London tour (London Dungeons)	Activity choice – movie night	
WEDNESDAY	STEAM lessons	Excursion – Brighton Pier and i360 experience	Activity choice – eco fashion	
THURSDAY	STEAM workshop – National Space Academy	Project preparation	Activity choice – sports (student's choice)	
FRIDAY	Excursion – Thorpe Park	Excursion – Thorpe Park	Activity choice – pancake making	
SATURDAY	STEAM lessons	Activity choice – scavenger hunt	Project presentations	
SUNDAY	STEAM lessons	STEAM workshop Example: robotics workshop	Graduation & disco

# BOARDING & ACCOMMODATION

OXFORD INTERNATIONAL COLLEGE, BRIGHTON

**11-15 YEAR OLDS**

Students studying on the Nord Anglia Education STEAM Pioneer Programme will stay at Oxford International College in Brighton.

Opened in September 2023, Oxford International College Brighton is Nord Anglia Education's newest school. The multi-million pound development includes everything a student could need within a stunning 80,000-square metre enclosed campus, providing an ideal location for young summer school students. Facilities include modern teaching facilities, including state-of-the-art laboratories and newly furnished boarding houses. Located a short distance from the seaside town of Brighton.

The twin and single occupancy dorm rooms, separated by gender on each floor, are equipped with an en suite and dedicated private bathrooms, a single bed, desk, storage space, lockable safe and wardrobe. Towels and bedding are provided, with regular housekeeping services.

## AT A GLANCE

**Location:** Oxford International College, Brighton

**Bedrooms:** Single and twin occupancy

**Bathrooms:** En suite or private bathroom

**Facilities:** Computer room, auditorium, canteen, common room, grounds, gym

**Meals:** All meals included. Packed lunch on excursion days.

**Airports:** Heathrow LHR 1.5 hours/Gatwick LGW 45 minutes

# NORD ANGLIA EDUCATION HEADSTART SUMMER PROGRAMME

## 16–18 YEAR OLDS

The Nord Anglia Education Headstart Summer Programme is an exclusive academic programme designed to provide access and valuable pre-university advice to students.

This comprehensive course provides students with an opportunity to make a more informed and prepared decision on their future university applications. Through a series of admissions talks and workshops, university masterclasses, and guided tours, students will gain unique insights into leading UK university academics and student life. Students will also receive personalised advice and support on their future university and career aspirations. The course is an opportunity to experience a great mix of academic and personal development on this unforgettable and inspirational university experience.

## WORKSHOP HIGHLIGHTS

Each day, students will take part in a unique combination of academic masterclasses, practical workshops and excursions.

### UNIVERSITY INSIGHT VISITS

Students will visit leading UK universities and receive exclusive tours designed to give a deeper understanding of what life at university is like. These tours aim to help students make a decision on the type of university they would like to attend in the future. Across the 14-day programme, students will visit a number of universities, including:

- Bath University
- Oxford University
- University of Cambridge
- King's College London
- University College London (UCL)

### HOUSES OF PARLIAMENT IN WESTMINSTER, LONDON

Students will have the opportunity for a weekend excursion to central London, where they can see the centre of British democracy and legislation in action.

### MUSEUM TOURS

Students will sample London's diverse museum culture, covering anthropology, archaeology, natural history, art and culture with opportunities to visit the London Science and Natural History Museums.

### UNIVERSITY PREPARATION MASTERCLASSES

Designed to enable students to fulfil their potential in university applications, University Preparation Masterclasses help build key skills for future careers and higher education. Masterclasses are an overview of the essential skills and preparation that is needed for success at university. Topics include CV writing, UCAS introductions, interview skills, essay writing skills and an opportunity to talk about the UK undergraduate experience.

### DEBATE SOCIETY

Students will attend one debate society per week at Oxford Union. They will receive guidance on debating structure and a platform upon which to practise and improve their debating skills. They will scrutinize ideas and policies, engaging with opposing views and speaking strategically.

### BODLEIAN LIBRARY, OXFORD

Oxford is home to the world-famous Bodleian Library, which opened in 1602. It might be most well-known for appearing in Harry Potter films but is also world-famous for its collection of books and manuscripts as well as its architecture.

# NORD ANGLIA EDUCATION HEADSTART TIMETABLE & EXCURSIONS

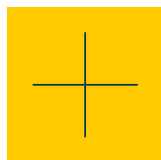

The Headstart Summer Programme runs for a duration of two weeks. Students visit top universities, hear from university admissions teams and speak to current students to gain a unique insight into choosing the right pathway.

	8.00-8.30 Breakfast	12.00-12.45 Lunch	6.00-6.45 Dinner	10.30 Lights out
	MORNING	AFTERNOON	EVENING	
MONDAY	Arrivals	Arrivals	Welcome meeting	
TUESDAY	Workshop – the admissions process	Excursion – Oxford Tour	Debate society	
WEDNESDAY	University Insight – Cambridge University	City visit – Cambridge	Activity choice – quiz night	
THURSDAY	Masterclass – admissions interview and essay writing	University Insight – Oxford University	Activity choice – film night	
FRIDAY	Excursion – London Southbank	Excursion – London Eye	Activity choice – sports	
SATURDAY	Masterclass – critical thinking	Masterclass – academic CV writing	Debate society	
SUNDAY	University Insight – King's College London	University Insight – University College London	Murder mystery night	

## WHAT'S INCLUDED?

- Tuition including University Insights, Masterclasses and 2 integrated lectures
- Learning materials
- Personalised report card and certificate of completion
- Accommodation
- All meals
- Airport transfers
- At least 3 full day excursions per week including entrance costs
- Nord Anglia Education merchandise!

## UNIVERSITY INSIGHT TRIPS

Students will visit some of the top universities in the UK, providing them with the opportunity to get a firsthand view of a number of colleges.

# 1

### OXFORD UNIVERSITY - ST HILDA'S

A charming University of Oxford College situated on the banks of the River Cherwell, just a short walk from the city centre. St. Hilda's College offers easy access to the city centre, the University sports complex and the lively culture of east Oxford.

### CAMBRIDGE UNIVERSITY - CORPUS CHRISTI

Corpus has two main sites: Old House in the heart of the historic city – close to lecture halls, libraries and student facilities – and Leckhampton, a spacious site with extensive gardens, tennis courts, sports grounds, and a gym.

# 2

# 3

### KING'S COLLEGE LONDON

Founded in 1829, King's College London is an internationally renowned university delivering exceptional education and world-leading research. King's is located in the heart of London, close to the River Thames and iconic landmarks like the London Eye, Big Ben and Tower Bridge.

### BATH UNIVERSITY

The University of Bath has earned a global reputation for its teaching excellence, whilst Bath Spa University is particularly known for its focus on the creative arts and humanities. Both universities have modern libraries, sports centres and dedicated student support services which are tailored to the needs of their students.

# 4

# 5

### UNIVERSITY COLLEGE LONDON

UCL has a history of academic excellence and is consistently ranked among the world's top universities, with many of its faculties leading their fields. They're renowned for their world-class research, global influence and impact across a broad range of subjects.

**NOTE:** The timetable is an example and the full timetable will be provided to students in the registration pack together with all course details.

# BOARDING & ACCOMMODATION

## STUDENT CASTLE, OXFORD INTERNATIONAL COLLEGE

### 16-18 YEAR OLDS

Students studying on the Nord Anglia Education Headstart Programme will stay at Student Castle, part of Oxford International College (a Nord Anglia Education school), in the heart of Oxford. Students will be close to shops, restaurants and all that the city centre has to offer.

The single occupancy dorm rooms in university-style apartments, separated by gender on each floor, are equipped with an en suite bathroom, a single bed, desk, storage space, lockable safe and wardrobe. Towels and bedding are provided, with regular housekeeping services.

Student Castle itself is a modern venue which offers high-spec bedrooms and luxurious student social spaces and gym. It is ideal for the students studying this course as it allows them to be in the heart of Oxford and experience undergraduate student life.

#### AT A GLANCE

**Location:** Student Castle, Osney Lane, Oxford, OX1 1TE

**Bedrooms:** Single bedrooms. Separate male & female accommodation.

**Bathrooms:** Shared bathrooms

**Facilities:** Common room

**Meals:** All meals included. Packed lunch on excursion days

**Airports:** Heathrow LHR 1 hour/Gatwick LGW 2 hours

# NEXT STEPS

# BOOKING

Once students have chosen the course they would like to pursue, they can fill out our application form here: [nordanglia.com/short-courses](http://nordanglia.com/short-courses).

The earlier students book the better — it'll guarantee their choice of course and venue.

Once we've received the student's application we'll have a look over the information they've submitted and send a booking confirmation over.

If the student needs to speak to a member of the admissions team at any point, they can email [shortcourses@nordanglia.com](mailto:shortcourses@nordanglia.com) for more information or to book a call.

#### All inclusive fees:

- Tuition and learning materials
- Accommodation
- Meals including breakfast, lunch and dinner
- Airport transfers
- Full day excursions including entrance costs
- Nord Anglia Education merchandise!

*Please note that flights are not included.*
