- ▶ The School cannot guarantee a bus service, if your address changes during the school year. The School must be informed of any new addresses at least 2 weeks prior to the moving date. RULES AND REGULATIONS OF THE SCHOOL BUS SERVICE

(Issued to all 'bus children' and their families)

General:

The school provides students from F1 to Year 13, with a school bus service after payment of the required bus fees. Students from F1 and F2 can only use the bus service after the "Bus Service Regulations for EYFS Students Agreement" has been signed by Parents.

The School bus is only provided for students who have completed the required bus registration form. Students that have been registered in advance will be given priority

Bus fees are revised annually. Please check with Admissions Office for more information.

Students must abide by the direction of the bus Monitor at all the times and not create trouble that may disturb the driver and other students. Students who do not behave appropriately on the bus will be verbally reminded 2 times and on the third occasion will be reminded by written letter from the school. The School has the right to refuse students who behave inappropriately, and the bus fee will not be refunded. Any damage caused by students on the bus must be paid by the Parents.

School buses are not available for collecting students attending either an early or late activity. The School bus departs daily at 3:15pm. In addition, we have a bus at 4:15pm on Mondays, Wednesdays and Thursdays. Parents will need to collect their children from any activity that finishes after 4:15pm.

Should your house/apartment be situated in a small side alley or dead end, we would appreciate it if you could assist us by having your children meet the school bus at the entrance to the alley.

On days when children are not attending activities, they are required to take the normal 3:15pm bus directly after school. Should a child decide to remain at school for reasons other than attending activities, there is a chance that they will be refused a seat on the later bus as these may have already been reserved for the children attending activities.

Children must remain seated and wear their seat belts at all times. The bus will not move if any student does not wear their seat belt.

In case a student does not attend school for any reason, parents should call the Monitor and email school as early as possible. If a student does not want to go home by bus, this must be approved by parents and parents must inform the school by email in advance, not by phone.

School contact: BIS Hanoi Bus Service: Email: busservice@bishanoi.com | Hotline: 0988 47 86 46

Morning:

Children should be ready at least 5 minutes prior to the actual collection time. The bus will not wait after the arranged collection time has passed 2 minutes. Should a child miss the bus, it will be the parents' responsibility to arrange alternative transportation to school.

Afternoon:

When being dropped-off at home, children must walk carefully behind the bus, directly into their property. Parents need to be at home at least 5 minutes before the arranged drop-off time so that children are met by either their parents or their house staff. If there are no adults to receive the children when the bus reaches the child's residence, the child will be returned to school and the parents will then be required to collect them from the school office.

Contact:

In the event that the bus anticipates, either it will be more than 15 minutes late due to traffic jam or other reasons, when picking-up or dropping-off a child, the bus Monitor will contact the parents by phone to advise them of the amended schedule. Parents are welcome to contact the bus Monitor at any time.
