CO – CURRICULAR ACTIVITIES PROGRAMME

Years 7 - 13

Block 2 | 2023-24 SY

Dear Parents,

Our Co-Curricular (CCA) program is designed to help nurture well-rounded individuals, promoting personal growth, teamwork, and the development of various skills beyond academics.

Our programs provide opportunities for students to explore their interests, build resilience, and foster a sense of belonging within the school community. These include our Saturday program, as well as the after-school and lunchtime activities. The program will also assist in developing stronger partner links within the Hanoi Activities Conference, Nord Anglia group and FOBISIA schools.

The CCA program at BIS Hanoi is streamed to ensure that students can participate in more varied activities throughout the year. Our 3 streams we are focusing on are Creative, Active and Service Activities. This means that all students have more opportunities to experience different activities throughout the year.

All students are expected to be involved in at least one CCA per block.

Please note:
