# CO – CURRICULAR ACTIVITIES PROGRAMME

Years 7 - 13

Block 3 | 2023-24 SY

Dear Parents,

Our Co-curricular programme is designed to enhance and complement our curriculum. Additionally, our Saturday programme is available for students and parents to participate in various activities.

We are aiming to stream our CCA programme within 3 streams to ensure that students can participate in more varied activities throughout the year. Our 3 streams we are focusing on are Creative, Active and Service Activities. This means that all students have more opportunities to experience different activities throughout the year. The quality of activities will be higher and more consistent. The programme aims to add challenge for students to own their achievements. The programme will also assist in developing stronger partner links within the Hanoi Activities Conference, Nord Anglia group and FOBISIA schools. To achieve a holistic school experience, we encourage all students to participate in at least one CCA per block.

Block 3 will start on **Monday 6 May 2024**. The activities will run through until **Saturday 15 June 2024**. Sign up will be from **Wednesday 20 March 8:00 am** till **Monday 25 March 2:00pm**. The Co-curricular programme provides a great opportunity for your child to take part and develop different facets of school life.

Students will be asked for multiple preferences although they will be allocated to one activity per time slot. Please allocate at least 3 preferences per time slot, ensuring your child can be allocated to a CCA per day. Not all activities are available to all year groups, please see the descriptions in the brochure. Information on paid activities can also be found within the brochure. The sign-up process tries to ensure all students are granted a place on either their first, second or third choice of preference. Please see the application guidelines below for detailed instructions.
