CO - CURRICULAR ACTIVITIES PROGRAMME

Secondary

Block 2
15th Feb - 14th June

Dear Families,

At BIS Hanoi, our Co-Curricular (CCA) program brings learning to life by nurturing well-rounded individuals who thrive beyond the classroom. By promoting personal growth, teamwork, and skill development, our CCAs play a vital role in shaping confident and resilient students.

To achieve a truly holistic school experience, we expect all students to engage in at least one CCA per block. We believe deeply in the value of CCA and enrichment, which align with the values of our BIS Aide Memoire. This is what makes BIS Hanoi unique, shaping our students by providing the solid foundation they need to rise above and be recognized as global citizens.

Our diverse offerings—ranging from after-school and lunchtime activities to our Saturday program—allow students to explore their passions and interests. The program also strengthens our partnerships with the Hanoi Activities Conference, Nord Anglia network, and FOBISIA schools, ensuring continued growth and collaboration.

The CCA program is thoughtfully designed across three streams: Creative, Active, and Service, giving every student the chance to experience a variety of enriching activities.

We look forward to an exciting year ahead!
