CO-CURRICULAR ACTIVITIES BOOKLET

EARLY YEARS AND INFANT CAMPUS
TERM 1, 2024-25

Dear Parents,

Our **Co-Curricular Activities (CCAs)** are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Term 1 CCAs:

Saturday 21st September to Sunday 8th December 2024

Welcome to the Co-Curricular Activities (CCAs) programme at the EYI Campus, BIS HCMC. The extensive programme on the EYI Campus is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 1 CCAs for the 2024-2025 academic year.

There is an extensive range of CCAs available to choose from each week at the BIS EYI Campus, and we would like to challenge and encourage students to explore some of the exciting new activities being introduced. For a full list of CCAs offered for Term 1, please see below.

As part of our continued enrichment programme, we have organised clubs into 5 categories to help all children choose a variety of clubs with the aim to vary their experiences. The categories are:

Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free Clubs – offered by teachers covering a wide range of different activities on a set day and time.

Paid clubs – offered by outside providers, these clubs often require specialist tuition.

A reminder Vietnamese Language (started 27th August) is on every Tuesday and Friday - This does not count as a free CCA. You cannot choose another CCA on those days.

Each child in F2 to Y2 is offered **one Free Club and unlimited Paid Clubs**. However we recommend F2 children have 2 CCAs a week and F3 children have 3 CCAs.

Please note that the computer randomly selects for CCAs and you may not get your preferences.

Deputy Head Teacher – EYI Campus

Registering your child:

How do you register your child for a club?

You may register your child for a club from **Monday 26th of August at 5.00pm until Friday 30th August at 5.00pm**. Clubs have maximum and minimum numbers which change according to the activity. See instructions on the following pages for Schools Buddy Sign-up.

For those popular clubs that have set student limits, spaces are chosen randomly by SchoolsBuddy and those who gain a place are notified. Children who sign up for paid clubs that are oversubscribed will be placed on a waiting list. Clubs may be cancelled if there are not enough children as required.

Paid clubs will be confirmed via email to those who have been allocated a place. Payment period will be from **Wednesday 4th September 2024 to Tuesday 10th September 2024 and can be completed through online banking or by cash**. Also note, if payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list. Please note that all paid club payments are non-refundable (unless BIS cancel the programme).

Paid clubs will be confirmed via email to those who have been allocated a place. Please note that if a paid CCA fails to reach minimum numbers, the club will not run.

On-line Activity Selection- through SchoolsBuddy (with your Isams password)

All activities (free and paid) need to be selected on-line. Please see following pages for instructions and you will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage.

Choosing carefully is vital as the system will not be able to make changes once CCAs have been allocated.

Please take time to read through the rest of this booklet and log on to SchoolsBuddy, and If you have any questions, please do not hesitate to contact Ms Van at Van.Pho@bisvietnam.com.

I hope your children enjoy the clubs on offer.

Ms Sarah Curran
Deputy Head Teacher

CCAs Sign up through SchoolsBuddy – Procedure

Please note that the information below can only be accessed after the system goes live on Monday 26th of August at 5.00pm until Friday 30th August at 5.00pm.

This system has been set up for you to select, and then track all your child's chosen activities. It can be found by going to the SchoolsBuddy website at the link below:

<https://bishcmc.schoolsbuddy.net>

After clicking the link, you will be directed to the login page. Do not add your email directly to this page, but instead, click on '**iSAMS (Parent)**' as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. It is on this page that you will again be able to see the CCA Booklet and the welcome message from school. After reading, click the close button, or scroll below the message to see the sign-up options.

Under 'Available Sign-Ups', look for the block option you like.

All activities can be accessed through the drop-down arrow beside the day of the week.

Daily options can be accessed through the drop-down arrow and details such as costs involved can be seen. You then have an option of choosing up to 5 CCAs. Preference from 1 to 5 for each club (1 is your 1st choice). The system does not filter free or paid. So if you really want a certain paid CCA then please it as your free choice or if you really want a certain free CCA then put it as number 1. All allocations are random and **not** allocated on who the first person to submit.

Once all selections have been made, click next, or save for later if you wish more time to consider. **Sign-up closes Friday 30th August at 5pm.** On the next page, review your choices and if correct, click submit to school.

When you hit Submit, you then need to acknowledge that you have fully read the terms and conditions found in the first pages of this booklet. Click okay, and then you are finished. Notification of accepted CCAs will be emailed on **Tuesday 3rd of September 2024** and payments for paid CCAs will be available immediately.
