Co-Curricular Activities Booklet

Term 1, 2024-2025

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with holistic learning opportunities which positively impact many facets of their development, including academic progress. The diverse co-curricular programme stimulates curiosity and enhances the core curriculum providing opportunities for students to broaden their interests and perspectives of the world and to challenge themselves as they develop a range of skills including social, emotional, leadership, independence, collaboration, moral reasoning, decision making, problem solving, and critical thinking.

There is an extensive range of CCAs on offer with over one hundred different activities to choose from each week at the BIS Secondary Campus. Whether you enjoy art, music, drama, sport, languages, solving mathematical or scientific problems, helping disadvantaged groups or just wanting to try something new, there should be a club available for you.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

1. To give breadth and depth of challenging experiences that ignite curiosity and inspire life long learning in and beyond the curriculum.
2. To create healthy team competition and players who have both courage and encourage each other.
3. To work with partners including artists, drama companies and music ensembles to reach high standards of team/group and personal performance.
4. To provide opportunities for character development always embracing our Aide Memoire and rooted in being Global Citizens.
5. To provide opportunity for authentic involvement and leadership in social impact and community work

We scaffold our programs which positions our students well with a balance of the endeavour, knowledge, awareness and resilience, which provides the framework for the IBDP CAS programme.

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and all experiences that develop creative thinking.
- **Activity:** Physical exercise and challenges contributing to a wellbeing and healthy lifestyles.
- **Service:** Collaborative and reciprocal community engagement in response to an authentic need.

Sports Information

BIS HCMC is delighted to again be participating in competitive sporting competitions this year both locally and internationally. We will be competing in the highest tiers of sport in the SISAC (Saigon) and FOBISIA (Asia) tournaments, as well as a host of invitational tournaments at home and abroad. Therefore, to prepare our students for performing at the highest level, we will be running sport in the following pathways:

- Student led sports leadership CCAs
- Recreational sporting CCAs

- Selective sporting squad CCAs
- Paid third party sporting CCAs

Selection for Sports teams:

If the number of students for any sports activity is greater than the maximum capacity, students will undergo a trial and be notified of this during their first session. This means a student could initially be accepted for the CCA and removed after the trial.

For students not accepted following the trials, the PE department will endeavour to run a parallel recreational club during the same session for the same age group. Therefore, if a student has a poor trial or significantly improves their skill level, then the squad coach will be able to assess the student and potentially accept them into the squad at a later time.

Please note, as competitive Sport runs as seasons and not terms (Sep - Nov, Nov - Feb, Feb - May and May-June), some clubs that start in September will stop in November, whilst others will start in November and run into Term 2.

Music

For any students interested in signing up for the Chamber Choir, Symphony Orchestra, Philharmonia Orchestra or Concert Band, **please sign up for an audition time on the google classroom page [su7gnmk](#)**

Auditions will be held on **21st – 23rd August** during lunchtimes and after school. Prepare a short unaccompanied excerpt of a song or instrumental piece to perform.

Drama

For those students who would like to be involved in the School Show, please sign up directly with the Drama Department once auditions have been announced.

Paid Activities

There are a number of paid activities that students can sign up for which are provided by external individuals and organisations. Kindly note that these are subject to change in accordance with health and safety regulations.

All of the information regarding these is detailed in the online activities booklet. If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

Students will not be admitted into a paid CCA until full payment has been received and acknowledged. Please note that all paid club payments are non-refundable (unless BIS cancels the programme), and that if a paid CCA fails to reach minimum numbers, the club will not run.

The payment deadline for all clubs is **Tuesday 10th September 2024**

Activity dates for Term 1 2024-25:

All CCAs Start: **Monday 23rd September 2024**

Vietnam National Holiday: *2nd - 3rd September 2024 (No activities will run)*

Half Term: *Saturday 12th to Sunday 20th October 2024 (No activities will run)*

All CCAs End: **Sunday 8th December 2024**

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons. There are two sessions each afternoon with a five-minute change-over period (2:50pm – 3:50pm and 3:55pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55pm will need to arrange their own transport home and should consider this before selection.

CCA Selection – using SchoolsBuddy online

Activities need to be selected using the online SchoolsBuddy system. Please see below for further instructions.

You will be able to see updates and changes to your approved activities through your online SchoolsBuddy homepage. Both the student and their parents will also receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (SchoolsBuddy) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

Wishing you all a wonderful first term.

Guidelines for students using SCHOOLSBUDDY to select CCAs

On the Secondary Campus, there is the expectation that students independently manage their sign up and club selection themselves using SchoolsBuddy.

Monday 26th August at 5pm

Students will be able to sign up on SCHOOLSBUDDY

(for Term 1 activities)

The activities booklet will be updated and available on the school website (link below)

<https://bishcmc.schoolsbuddy.net/>

Friday 30th August at 5pm

Selection on SCHOOLSBUDDY will close

Thursday 5th September

Students and parents to be notified of their chosen CCAs

SCHOOLSBUDDY has been set up for you to use on a daily basis to select and track all your chosen activities.

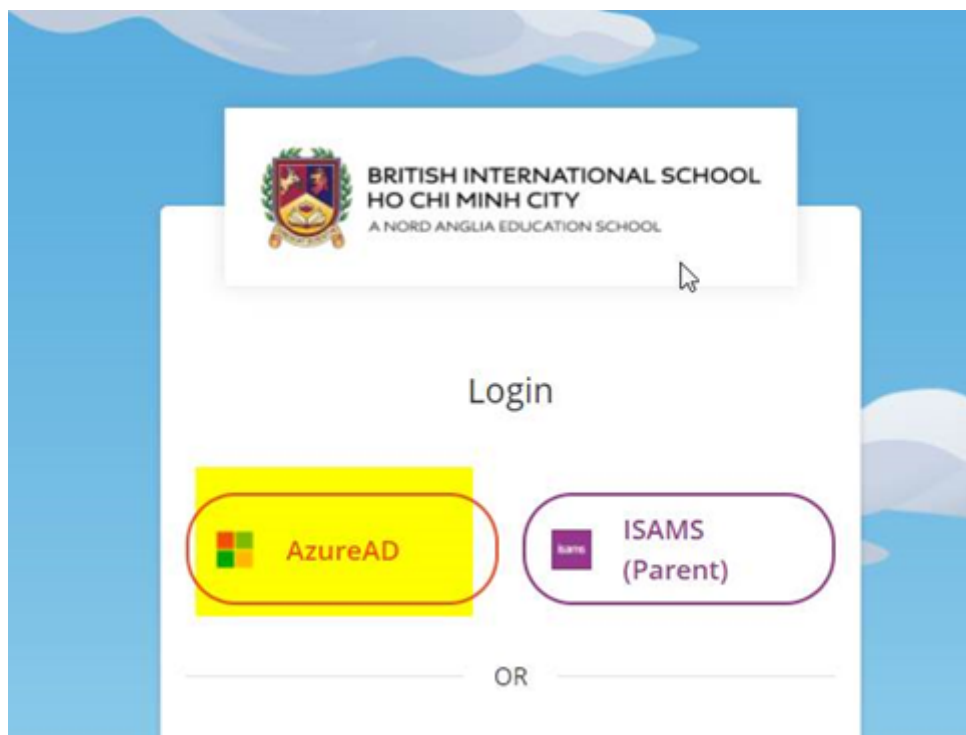

Students, please follow the instructions below to log on and select your desired activities/paid clubs:

To access the BIS SCHOOLSBUDDY portal please click on the following link:

<https://bishcmc.schoolsbuddy.net/>

You can also access SCHOOLSBUDDY from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Parent Essentials" section and click on SchoolsBuddy.

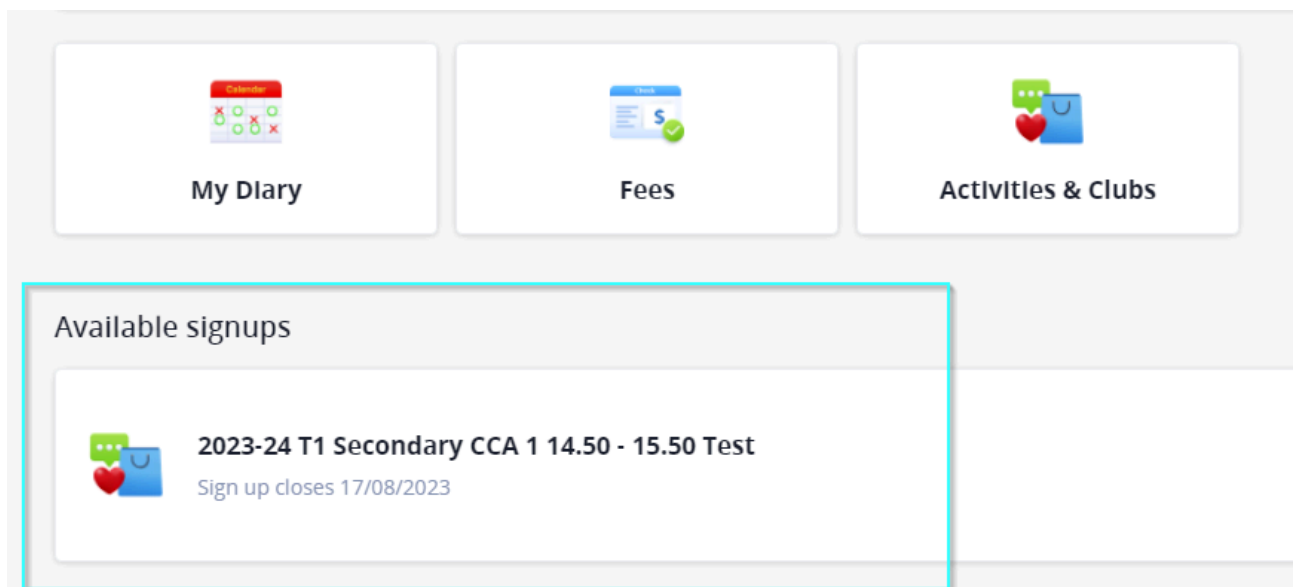

Click on "Azure AD" - there is no need to enter a username or password.

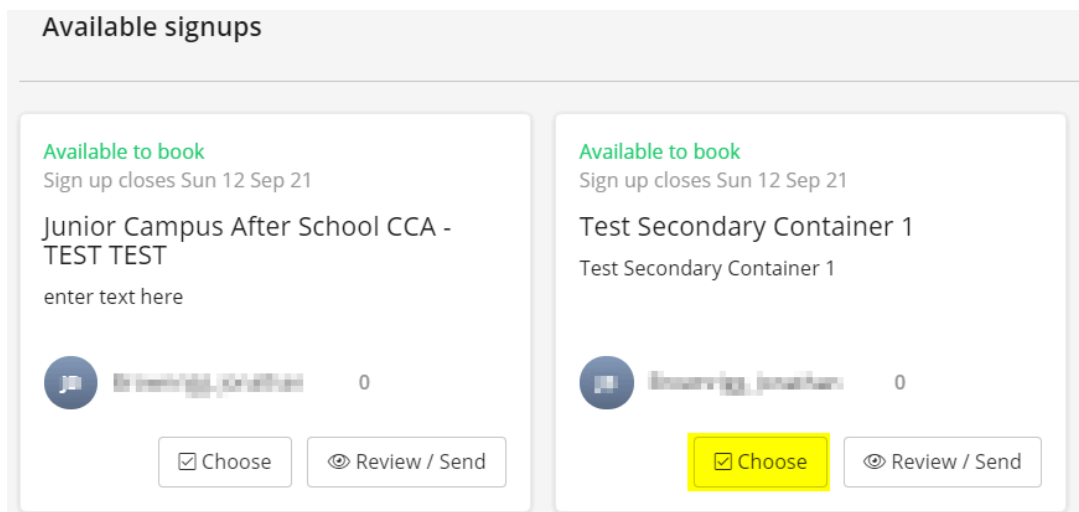

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

Making After School Club Selections (CCAs)

1. Click the 'Activities & Clubs' tab, or click on an Available signups container.

- Depending on the activities, clubs and care your school provides, you may see just one or multiple boxes similar to the one below. They should be clearly labelled so you can see what is available to you. Click the 'choose' button.

- From there, the clubs that are available will be shown by day of the week.
- Click the day of the week to expand the section.
- Select your preferences for each club for the desired day of the week.

In the example below, Bobby Smith has selected Creative Coding Club on a Wednesday as their first choice, but, in case there are not enough spaces, Bobby has selected Music Technology Club as a second preference. Bobby is trying to ensure that they have a club on a Wednesday but show the school that they would prefer to do Creative Coding.

It is fine to leave some clubs without any preference selections, the tick will remain in the N/A box to show that you do not wish to select this club.

Guidelines for Parents using SCHOOLSBUDDY to check student activities

Please note that information will only be available on SchoolsBuddy after the system goes live at 5:00pm on Friday 18th August and before closing at 5:00pm on Friday 25th August 2023.

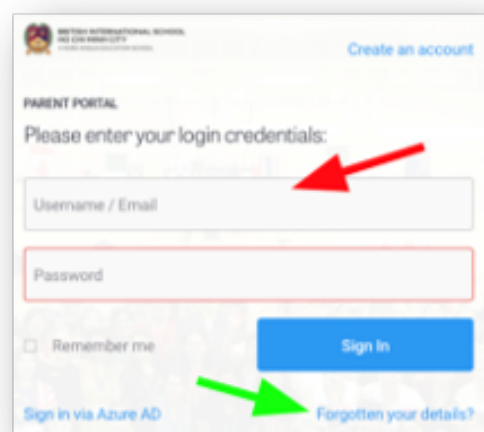

Only students may select CCAs - parental access is available to track their child's activities. It can be found by going to the SchoolsBuddy website: <https://bishcmc.schoolsbuddy.net>

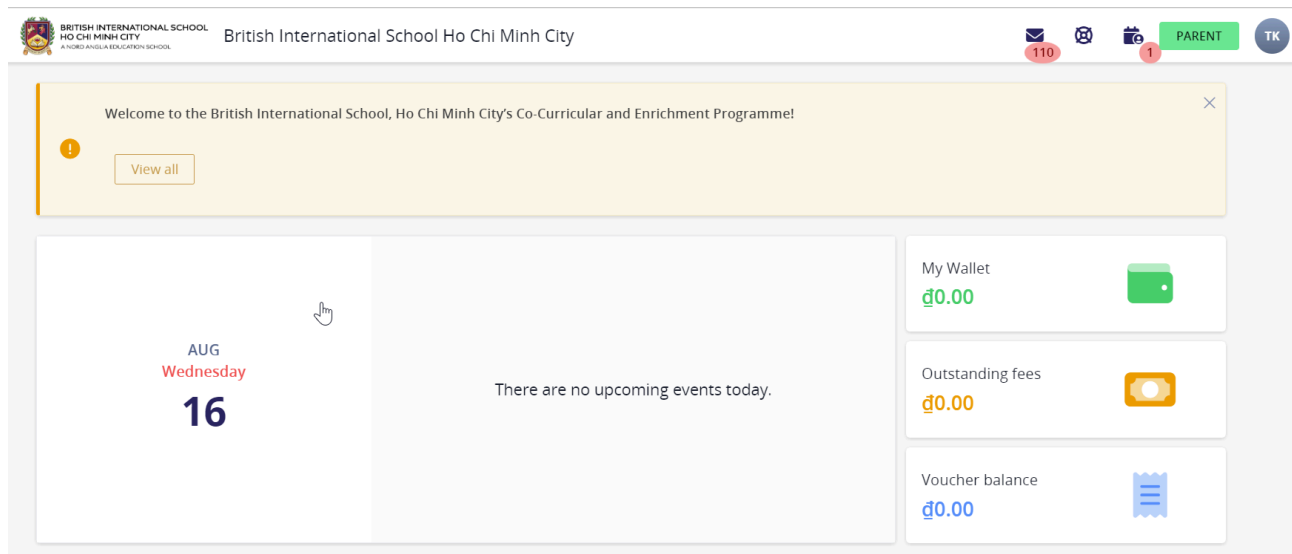

After clicking the link above, you will be directed to the login page. Do not add your email directly to this page, but instead, click on iSAMS (Parent) as seen to the left.

This will direct you to the iSAMS login page.

Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. You can click the 'View all' button to see all welcome messages from school and check the link to the CCA booklets.

If the welcome message has been closed on your dashboard, please reload your SchoolsBuddy page to see it again.

It shares elements with childhood games of make believe. Like those games, D&D is driven by imagination. It about picturing the towering castle beneath the stormy night sky and imagining how a fantasy adventure might react to the challenges that come presents. Players roll dice to resolve whether their attacks hit or miss or whether their adventures can scale a cliff, roll away from the strike of a magical lightning bolt, or pull off some other dangerous task. Anything is possible, but the dice make some outcomes more probable than others. Working together, the group might explore a dark dungeon, a ruined city, a haunted castle, a lost temple deep in a jungle, or a lava filled cavern beneath a mysterious mountain. The adventures can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.
