CO-CURRICULAR ACTIVITIES BOOKLET

EARLY YEARS AND INFANT CAMPUS
TERM 2 & 3, 2024-25

Dear Parents,

Our **Co-Curricular Activities (CCAs)** are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Term 2 and 3 CCAs:

Monday 17th February to Sunday 15th June 2025

Welcome to the Co-Curricular Activities (CCAs) programme at the EYI Campus, BIS HCMC. The extensive programme on the EYI Campus is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 2-3 CCAs for the 2024-2025 academic year.

There is an extensive range of CCAs available to choose from each week at the BIS EYI Campus, and we would like to challenge and encourage students to explore some of the exciting new activities being introduced. For a full list of CCAs offered for Term 2-3, please see below.

As part of our continued enrichment programme, we have organised clubs into 5 categories to help all children choose a variety of clubs with the aim to vary their experiences. The categories are:

Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free Clubs – offered by teachers covering a wide range of different activities on a set day and time.

Paid clubs – offered by outside providers, these clubs often require specialist tuition.

A reminder *Vietnamese Language (start 10th January) is on every Tuesday and Friday - This does not count as a free CCA. You cannot choose another CCA on those days.*

Each child in F2 to Y1 is offered **one Free Club and unlimited Paid Clubs**. However we recommend F2 children have 2 CCAs a week and F3 children have 3 CCAs.

Each child in Year 2, is guaranteed one Free Club and unlimited Paid Club. Depending on availability a second Free Club will be offered to all Year 2 Children.

Please note that the computer randomly selects for CCAs and you may not get your preferences.

Sarah Curran

Deputy Head Teacher – EYI Campus

sarah.curran@bisvietnam.com

Registering your child:

How do you register your child for a club?

You may register your child for a club from **Monday 2nd of December at 5.00pm until Friday 6th December at 5.00pm.** Clubs have maximum and minimum numbers which change according to the activity. See instructions on the following pages for Schools Buddy Sign-up.

For those popular clubs that have set student limits, spaces are chosen randomly by SchoolsBuddy and those who gain a place are notified. Children who sign up for paid clubs that are oversubscribed will be placed on a waiting list. Clubs may be cancelled if there are not enough children as required.

Paid clubs will be confirmed via email to those who have been allocated a place. Payment period will be from **Friday 13th December 2024 to Tuesday 31st December 2025 and can be completed through online banking or by cash.** Also note, if payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list. Please note that all paid club payments are non-refundable (unless BIS cancel the programme).

Paid clubs will be confirmed via email to those who have been allocated a place. Please note that if a paid CCA fails to reach minimum numbers, the club will not run.

On-line Activity Selection- through SchoolsBuddy (with your Isams password)

All activities (free and paid) need to be selected on-line. Please see following pages for instructions and you will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage.

Choosing carefully is vital as the system will not be able to make changes once CCAs have been allocated.

Please take time to read through the rest of this booklet and log on to SchoolsBuddy, and If you have any questions, please do not hesitate to contact Ms Van at Van.Pho@bisvietnam.com.

I hope your children enjoy the clubs on offer.

Ms Sarah Curran
Deputy Head Teacher

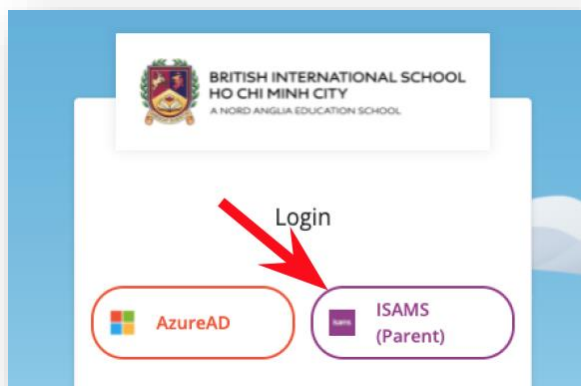

CCAs Sign up through SchoolsBuddy – Procedure

Please note that the information below can only be accessed after the system goes live on Monday 2nd of December at 5.00pm until Friday 6th December at 5.00pm.

This system has been set up for you to select, and then track all your child's chosen activities. It can be found by going to the SchoolsBuddy website at the link below:

<https://bishcmc.schoolsbuddy.net>

After clicking the link, you will be directed to the login page. Do not add your email directly to this page, but instead, click on '**iSAMS (Parent)**' as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. It is on this page that you will again be able to see the CCA Booklet and the welcome message from school. After reading, click the close button, or scroll below the message to see the sign-up options.

Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!

View all

Under 'Available Sign-Ups', look for the block option you like.

All activities can be accessed through the drop-down arrow beside the day of the week.

Search group name Clear All

- ▼ Monday - 4 Available
- ▼ Tuesday - 3 Available
- ▼ Wednesday - 2 Available
- ▼ Thursday - 2 Available
- ▼ Friday - 2 Available

Daily options can be accessed through the drop-down arrow and details such as costs involved can be seen. You then have an option of choosing up to 5 CCAs. Preference from 1 to 5 for each club (1 is your 1st choice). The system does not filter free or paid. So if you really want a certain paid CCA then please it as your free choice or if you really want a certain free CCA then put it as number 1. All allocations are random and **not** allocated on who the first person to submit.

CCAs Payment Procedure

Payments for those paid CCA options that your child has been accepted into can be made through online banking or you can pay cash or card directly to our Cashier Ms Thao.

Payment amounts for those clubs that your child has been accepted into will be emailed to you on Friday 13th December; with payment available from **Friday 13th December** and will close on **Tuesday 31st December** at the end of the banking day. All CCAs will begin from **Monday 17th of February**. If payment has not been cleared by our accounts team by **Tuesday 31st December**, a place will be cancelled.

Paid Clubs

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teachers	Cost
Art								
Music Appreciation Club - Monday	Research has shown that learning to play and read music has substantial educational benefits for children. Because it requires the coordination of physical, intellectual and emotional activity, it can bring improvements to children’s schoolwork overall.	Mon	3pm	3.45pm	EYIC – Music Room	Y1, Y2	Auftdart	4,420,000
Ukulele Group	Students who have enjoyed playing some ukulele and wish to perform as a group.	Mon	3pm	3.45pm	EYIC – Room 212	Y2	Mr Aka	3,471,000
VS Mixed art - Monday	An unofficial 'best-of' everything we offer at VinSpace! Students enjoy a mix of painting, sketching, art & craft animation, printing- the club focuses on showing the breadth and variety of art with a large span of skills, materials and activities. A great 'all rounder' that tries to inspire and introduce students to the possibilities of Art.	Mon	3pm	3.45pm	EYIC - Room 103	Y1, Y2	VinSpace	4,355,000
VS Art & Craft	Communicate through different mediums: Through a creative process that range from research to development to final result, the students learn about the role and function of art and craft while being provided with visual, tactile and sensory experiences. The aim here is to be able to express their creativity, thoughts, wonders; the way they understand and respond to the world using various materials (both 2D and 3D) along with appreciation and enjoyment of the visual arts that enrich our lives. The course provides first-hand experience, workshop/activities, introduction to tools and and learning how to control/combine them and most importantly to develop confidence in creating and showing artworks.	Tue	3pm	3.45pm	EYIC - Room 102	F2, F3	VinSpace	4,690,000
Drama with Dragonfly Theatre Education	Drama gives children confidence, encourages them to work together and helps them understand the world around them. This course introduces the basics of performance and culminates in a short showcase at the end of the term for parents and friends to attend.	Wed/ Fri	3pm	3.45pm	EYIC – Room 310	Y1, Y2	Dragonfly Theatre	5,880,000

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teachers	Cost
String Orchestra	A special orchestra for students who have violin or cello lessons.	Wed	7.30am	8.15am	EYIC – Music Room	Y1, Y2	Ms Anna	140,000
VS Sketching/Painting	Fundamentals of drawing and painting: From in-depth understanding of basic drawing skills starting from line all the way up to highlight and shadows; this course ensures that students get to experience and practice with different materials such as pencils, charcoals, ink, pastel...From learning about how perspective works, to create textures, surfaces and to apply it to drawings/sketches; to observe and draw from life, seeing objects and human figures and portray them creatively and artisticly. Introduction to painting will provide students with experiences of using and combining various mediums such as watercolors, acrylic paints, gouche...with inspirations from other famous artists, cultures, environments, literatures.	Wed	3pm	3.45pm	EYIC – Room 101	Y1, Y2	VinSpace	4,690,000
Music Appreciation Club - Wednesday	Research has shown that learning to play and read music has substantial educational benefits for children. Because it requires the coordination of physical, intellectual and emotional activity, it can bring improvements to children’s schoolwork overall.	Wed	3pm	3.45pm	EYIC – Music Room	F2, F3	Auftdart	4,760,000
VS Imagination Land	Our early childhood imagination land will encourage students to participate in hands on group learning. Art activities that forge real and imagined worlds through creative play will help participants develop their social skills and language development	Thu	3pm	3.45pm	EYIC – Room 101	F2, F3	VinSpace	4,690,000
VS Cartoon Mix Painting	Learn to create cartoon characters based on human anatomy. Explore various emotions and personalities through simple shapes like ovals and circles. Develop artistic skills by experimenting with gouache, acrylics, and watercolors, drawing inspiration from diverse cultural and historical sources.	Fri	3pm	3.45pm	EYIC – Room 104	Y1, Y2	VinSpace	4,690,000

Technology

Brick Art and Design (Architecture and Art history)	Students explore art history and architecture, recreating masterpieces like Da Vinci's Mona Lisa and Van Gogh's Starry Night with LEGO® bricks. They'll also craft unique designs, learn about renowned artists, boost confidence, collaborate on projects, and discover art as a powerful form of self-expression.	Mon	3pm	3.45pm	EYIC – Room 206	Y1, Y2	Snapology	6,142,500
Discovering Dinosaurs + Pokemania	In Discovery of Dinosaurs, students become young paleontologists, exploring dinosaur habitats, diets, and survival structures. After their dinosaur adventure, they step into the Pokémon world in Pokémania, where they become trainers, build favorite creatures, tackle challenges, and boost creativity, confidence, and teamwork.	Mon	3pm	3.45pm	EYIC – Room G6	F2, F3	Snapology	6,142,500

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teacher	Cost
Junior Chef – Monday	Invest in a tastier life, and be amazed at the delicious world of food we're cooking at JuniorChef! Come and explore different cultures and cuisines through the magic of cooking. Price includes a different tasty dish each week, a reusable, eco-friendly Lunchbox with built-in utensils, and a JuniorChef apron to keep young cooks looking at their best! All diets catered for, new dishes every term.	Mon	3pm	3.45pm	EYIC – F3 ELC	Y1, Y2	Junior Chef	5,720,000
Animal Explorer + RoboPet Robotics	In Animal Explorers, students discover animal habitats and adaptations by building models to learn how features like a camel's hump or a seahorse's tail aid survival. Following this, they dive into Robopet Robotics, where they create robotic animals, explore gears and motors, and develop programming skills to bring their creations to life.	Tue	3pm	3.45pm	EYIC – Room G3	F2, F3	Snapology	6,615,000
Escape Snapology + Science of Superpower	In Escape Snapology, students collaborate to solve puzzles and challenges using math, science, and critical thinking, building problem-solving, teamwork, and communication skills. Afterward, they dive into Science of Superpowers, exploring superhero abilities by building models and conducting experiments to learn about physics, forces, and energy while enhancing teamwork and presentation skills.	Tue	3pm	3.45pm	EYIC - Room 215	Y1, Y2	Snapology	6,615,000
Junior Chef - Tuesday	Invest in a tastier life, and be amazed at the delicious world of food we're cooking at JuniorChef! Come and explore different cultures and cuisines through the magic of cooking. Price includes a different tasty dish each week, a reusable, eco-friendly Lunchbox with built-in utensils, and a JuniorChef apron to keep young cooks looking at their best! All diets catered for, new dishes every term.	Tue	3pm	3.45pm	EYIC – F3 ELC	Y1, Y2	Junior Chef	6,160,000

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teacher	Cost
Jr. Engineers	Junior Engineering (2) introduces young engineers to advanced concepts using LEGO® bricks. They'll explore gears, levers, pulleys, and circuits, building models like elevators and robotic arms. Through problem-solving and teamwork, students deepen their understanding of science and technology in a fun, hands-on environment.	Wed	3pm	3.45pm	EYIC – Room G7	F2, F3	Snapology	6,615,000
Junior Chef - Wednesday	Invest in a tastier life, and be amazed at the delicious world of food we're cooking at JuniorChef! Come and explore different cultures and cuisines through the magic of cooking. Price includes a different tasty dish each week, a reusable, eco-friendly Lunchbox with built-in utensils, and a JuniorChef apron to keep young cooks looking at their best! All diets catered for, new dishes every term.	Wed	3pm	3.45pm	EYIC – F3 ELC	Y1, Y2	Junior Chef	6,160,000
RoboZoo Builders	Students create animal-inspired robotics like pulley-driven spiders and axle-powered dolphins. They'll learn about simple machines, sensors, and gears while programming their creations to respond to sensors and add sounds. Through teamwork and problem-solving, students get a fun introduction to robotics and engineering.	Wed	3pm	3.45pm	EYIC – Room 105	Y1, Y2	Snapology	6,615,000
Jr. Scientists (K'nex) + Building the season	In Jr. Scientists - All About Animals, students use Kid K'NEX® to explore vertebrates, invertebrates, life cycles, and reptile anatomy, comparing insects and arachnids to understand biology and ecology. They then create animals based on structures and environments. In Building the Seasons, students study weather patterns, solstices, and seasonal changes, linking natural cycles to their effects on animals and the environment. Both programs focus on teamwork, creativity, and problem-solving through collaborative builds.	Thu	3pm	3.45pm	EYIC – Room G3	F2, F3	Snapology	6,615,000

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teacher	Cost

All diets catered for, new dishes every term.	Thu	3pm	3.45pm	EYIC – F3 ELC	F3	Junior Chef	6,160,000
Scientists	Snapology's Scientists program sparks curiosity in natural science through hands-on activities in astronomy, biology, chemistry, and physics. Using interactive tools, students build models, conduct experiments, and apply scientific concepts. The program fosters critical thinking, communication, and presentation skills as students explain their ideas through creative builds.	Thu	3pm	3.45pm	EYIC – Room 108	Y1, Y2	Snapology	6,615,000
Combat Robotics + Botbuilder	In Combat Robotics, students design and build fighting robots, learning engineering basics like structure design, gears, and motors, while testing creativity and teamwork through challenges like robot battles. In Botbuilder with Modular Robotics, students build robots with Cubelets®, solving design challenges like lighthouses and racer bots. They develop problem-solving skills and use creativity to improve designs with LEGO® adapters, blending technical and artistic thinking.	Fri	3pm	3.45pm	EYIC - Room 102	Y1, Y2	Snapology	6,615,000
