# CO-CURRICULAR ACTIVITIES BOOKLET

JUNIOR CAMPUS  
TERM 2 & 3, 2024-25

Dear parents,

Our **Co-Curricular Activities (CCAs)** are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress. We are incredibly excited to be offering a full range of Co-Curricular Activities for Term 2/3. We hope to see all students take advantage of the great opportunities on offer. To ensure your child does not miss out, read for details on how to sign your child/children up.

**Term 2/3 CCAs:**

**Monday 17<sup>th</sup> February to Sunday 15<sup>th</sup> June 2025 (12 weeks)**

Welcome to the Co-Curricular Activities (CCAs) programme at the Junior Campus, BIS HCMC. The extensive programme on the Junior Campus is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 2/3 CCAs for the 2024-2025 academic year.

There is an extensive range of CCAs available to choose from each week at the BIS Junior Campus, and we would like to challenge and encourage students to explore some of the exciting new activities being introduced.

As part of our continued enrichment programme, we have organised clubs into 6 categories to help all children choose a variety of clubs with the aim to vary their experiences.

The categories are:

## **Music, Arts, Languages, Sports, Technology, and Community**

Clubs are divided into 2 different types:

**Free clubs** – offered by teachers covering a wide range of different activities.

**Paid clubs** – offered by outside providers, these clubs require specialist tuition, and thus fees are charged.

In addition to these selections, wider ***sport squads*** will be offered by the PE Department. Keep in mind that these selections will **not** count as a free club.

**Important:** Due to limited spaces, please consider carefully before adding the numbers to SchoolsBuddy when signing up for your children's CCAs. Please add number 1 to the CCA your child loves most then number 2 for the one he loves next...

Please note that **we do not guarantee that all the clubs you sign up will be approved** as all selections are random.

## Registering your child:

As an organisation, we use the SchoolsBuddy platform to share, record and allocate all aspects of the CCA programme.

You may register your child for a club from **Monday 2<sup>nd</sup> of December at 5.00pm until Friday 6<sup>th</sup> December at 5.00pm**. Clubs have maximum and minimum numbers which change according to the activity. See instructions on the following pages for SchoolsBuddy sign-up.

For those popular clubs that have set student limits, spaces are chosen randomly by SchoolsBuddy and those who gain a place are notified. Children who sign up for paid clubs that are oversubscribed will be placed on a waiting list. Clubs may be cancelled if there are not enough children for minimum requirements.

**The Barracudas team trials** will take place in December and the **FOBISIA Games** trials will take place in January 2025. Details will be sent to parents by email. Please sign up for other CCAs and we will then adjust system for your children when the sports teams are announced.

Paid clubs will be confirmed via email to those who have been allocated a place. **Payment period will be from Friday 13<sup>th</sup> December 2024 to Tuesday 31<sup>st</sup> December 2024 and can be completed through online banking or by cash and credit card**. Also note, if **payment is not made** during this time, then the place **will** be offered to the children who have been placed on a waiting list. **Unless payment is received in full before the start date of the club, your child will not be granted a place - this will be strictly enforced.** Please note that all paid club payments are non-refundable (unless BIS cancel the programme), and that if a paid CCA fails to reach minimum numbers, the club will not run.

### **On-line Activity Selection**

All activities (free and paid) are selected on-line. Please see following pages for instructions and you will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage.

**Choosing carefully is vital as the system will not be able to make changes once CCAs have been allocated.**

Please take time to read through the rest of this booklet and log on to SchoolsBuddy to make choices once the system is open. Prior to clubs starting, we will provide a Google Form with clubs that still have available spaces. Use this opportunity to find out about further clubs and sign your child/children up if interested. Good luck, and I hope your children enjoy the clubs on offer.
