Co-Curricular Activities Booklet

Term 1, 2023-2024

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which positively impact many facets of their development, including academic progress. The diverse co-curricular programme is designed to enhance the core curriculum and provide opportunities for students to broaden their interests and perspectives of the world and to challenge themselves as they develop a range of skills including social, emotional, leadership, independence, collaboration, moral reasoning, decision making, problem solving, and critical thinking.

There is an extensive range of CCAs on offer with over one hundred different activities to choose from each week at the BIS Secondary Campus. Whether you enjoy art, music, drama, sport, languages, solving mathematical or scientific problems, helping disadvantaged groups or just wanting to try something new, there should be a club available for you.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enriching and challenging experiences above and beyond the timetabled curriculum
- To facilitate competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and all experiences that develop creative thinking.
- **Activity:** Physical exercise and challenges contributing to a wellbeing and healthy lifestyles.
- **Service:** Collaborative and reciprocal community engagement in response to an authentic need.

Sports Information

BIS HCMC is delighted to again be participating in competitive sporting competitions this year both locally and internationally. We will be competing in the highest tiers of sport in the SISAC (Saigon) and FOBISIA (Asia) tournaments, as well as a host of invitational tournaments at home and abroad. Therefore, to prepare our students for performing at the highest level, we will be running sport in the following pathways:

- Student led sports leadership CCAs
- Recreational sporting CCAs
- Selective sporting squad CCAs
- Paid third party sporting CCAs

The PE department looks forward to seeing the BIS Sports Stars of the future once again displaying their winning ways this term!

Selection for Sports teams:

If the number of students for any sports activity is greater than the maximum capacity, students will undergo a trial and be notified of this during their first session. This means a student could initially be accepted for the CCA and removed after the trial.

For students not accepted following the trials, the PE department will endeavour to run a parallel recreational club during the same session for the same age group. Therefore, if a student has a poor trial or significantly improves their skill level, then the squad coach will be able to assess the student and potentially accept them into the squad at a later time.

Please note, as competitive Sport runs as seasons and not terms (Sep - Nov, Nov - Feb, Feb - May and May-June), some clubs that start in September will stop in November, whilst others will start in November and run into Term 2.

Music

For any students interested in signing up for the Chamber Choir, Symphony Orchestra, Philharmonic Orchestra or Concert Band, please sign up for an audition time on the google classroom page [ykcrekd](#)

Auditions will be held on 23rd -25th August during lunchtimes and after school. Prepare a short unaccompanied excerpt of a song or instrumental piece to perform.

Drama

For those students who would like to be involved in the School Show, please sign up directly with the Drama Department once auditions have been announced.

Paid Activities

There are a number of paid activities that students can sign up for which are provided by external individuals and organisations. Kindly note that these are subject to change in accordance with health and safety regulations.

All of the information regarding these is detailed in the online activities booklet. If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

Students will not be admitted into a paid CCA until full payment has been received and acknowledged. Please note that all paid club payments are non-refundable (unless BIS cancels the programme), and that if a paid CCA fails to reach minimum numbers, the club will not run.

The payment deadline for all clubs is **Wednesday 6th September 2023**

Activity dates for Term 1 2023-24:

All CCAs Start: **Monday 18th September 2023**

Vietnam National Holiday: *Friday 1st to Monday 4th September 2023 (No activities will run)*

Half Term: *Saturday 14th to Sunday 22nd October 2023 (No activities will run)*

All CCAs End: **Sunday 3rd December 2023**

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons. There are two sessions each afternoon with a five-minute change-over period (2:50pm – 3:50pm and 3:55pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55pm will need to arrange their own transport home and should consider this before selection.

CCA Selection – using SchoolsBuddy online

Activities need to be selected using the online SchoolsBuddy system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your online SchoolsBuddy homepage. Both the student and their parents will also receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (SchoolsBuddy) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

Wishing you all a wonderful first term.

You can also access SCHOOLSBUDDY from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Useful Links" section.

Click on "Azure AD" - there is no need to enter a username or password.

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

Making After School Club Selections (CCAs)

1. Click the 'Activities & Clubs' tab, or click on an Available signups container.

- Depending on the activities, clubs and care your school provides, you may see just one or multiple boxes similar to the one below. They should be clearly labelled so you can see what is available to you. Click the 'choose' button.

- From there, the clubs that are available will be shown by day of the week.
- Click the day of the week to expand the section.
- Select your preferences for each club for the desired day of the week.

In the example below, Bobby Smith has selected Creative Coding Club on a Wednesday as their first choice, but, in case there are not enough spaces, Bobby has selected Music Technology Club as a second preference. Bobby is trying to ensure that they have a club on a Wednesday but show the school that they would prefer to do Creative Coding.

It is fine to leave some clubs without any preference selections, the tick will remain in the N/A box to show that you do not wish to select this club.

The screenshot shows a selection interface for school activities. At the top, there are tabs for days of the week: Monday - 2 Available (with a blue circle containing '3'), Tuesday - 2 Available, Wednesday - 2 Available (highlighted in yellow with a blue circle containing '4'), Thursday - 2 Available, and Friday - 2 Available. Two activity cards are visible:

- Creative Coding Club:** Organised by N. Nguyen. Time: 16:30 - 17:10. Free. Location: Secondary - Sports Court. Capacity: 5. A grid below shows selection for days 1 through 5, with day 1 checked (yellow square with a checkmark) and a blue circle containing '5' next to it.
- Music Technology Club:** Organised by T. Brownrigg. Time: 14:40 - 15:40. Free. Capacity: 3. A grid below shows selection for days 1 through 5, with day 2 checked (yellow square with a checkmark).

- When you have made selections for each of the days you would like, click the blue 'Next' button which can be found at the top right of the screen. Alternatively, you can also click 'Save for Later' and complete it later.

If you save for later, when you return to the Activities & Clubs tab, click the Review/Send button to complete your selections and send them to the school.

The screenshot shows a summary card for an activity. At the top, it says 'Available to book' in green, followed by 'Sign up closes Sun 12 Sep 21'. Below that is the title 'Test Secondary Container 1' and a subtitle 'Test Secondary Container 1'. At the bottom left, there is a profile icon for 'JB' and a blue circle containing the number '3'. At the bottom right, there are two buttons: a white button with a checkmark icon and the text 'Choose', and a yellow button with a circular arrow icon and the text 'Review / Send'.

- You can click 'Edit Choices' to make changes if needed. When you are happy with your choices click 'Submit to school'.

Log into your SchoolsBuddy account for further details.

**If this email does not contain any selections then this will be because you have a sibling or another child at British International School Ho Chi Minh City and selections have only been submitted for them.

Many thanks

British International School Ho Chi Minh City and the SchoolsBuddy team.

[Go to the British International School Ho Chi Minh City SchoolsBuddy Portal](#)

11. When we have processed the after school club allocations, you will receive a further email communication showing which clubs you have been allocated or not allocated.

12. Your Diary will be automatically populated with the time and date of the events of the clubs/activities allocated to you.

Guidelines for Parents using SCHOOLSBUDDY to check student activities

Please note that information will only be available on SchoolsBuddy after the system goes live at 5:00pm on Friday 18th August and before closing at 5:00pm on Friday 25th August 2023.

Only students may select CCAs - parental access is available to track their child's activities. It can be found by going to the SchoolsBuddy website: <https://bishcmc.schoolsbuddy.net>

After clicking the link above, you will be directed to the login page. Do not add your email directly to this page, but instead, click on iSAMS (Parent) as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. You can click the 'View all' button to see all welcome messages from school and check the link to the CCA booklets.

The screenshot displays the SchoolsBuddy dashboard for a parent. At the top left, the school's logo and name, "British International School Ho Chi Minh City", are visible. The top right corner features a navigation bar with a "PARENT" label and a user profile icon labeled "TK". There are also notification icons for messages (110) and events (1).

The main content area is divided into several sections:

- Welcome Message:** A yellow banner at the top reads "Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!". It includes a "View all" button and a close icon.
- Calendar:** A large calendar view shows the current date as "AUG Wednesday 16". A mouse cursor is hovering over the date.
- Financial Summary:** Three summary cards are displayed on the right side:
 - My Wallet:** Shows a balance of ₫0.00 with a green wallet icon.
 - Outstanding fees:** Shows a balance of ₫0.00 with an orange fee icon.
 - Voucher balance:** Shows a balance of ₫0.00 with a blue voucher icon.
- Events:** A central message states "There are no upcoming events today."

If the welcome message has been closed on your dashboard, please reload your SchoolsBuddy page to see it again.

Texas Hold'em Poker	Year 7, Year 8, Year 9, Year 10	12:40	13:20	15	Yee Ung Yee & Julie Frost	Secondary - Room 522	Ever wanted to unleash your hidden skills in poker against your opponents? Learn new skills used by professionals in intense matches in world tournaments. Moreover, it's essential to learn these poker skills as it's a game of maths and encompasses probabilities and ratios in order to calculate your possible outcomes. Play with friends and see who's got the best poker face or come and meet some new friends. This club forbids gambling with real money.
The Economics Project	Year 12	14:50	15:50	15	Hoa Thai	Secondary - Room 108	This club is an opportunity to connect our school with 1 of our Vietnamese community partners as we would love to bring 15 Vietnamese students that are between the ages of 15-17 years old to our school and teach them about Vietnam's developing economy, as we are all students that have strong economic and business passions. Our lesson plans will be based around the economics that we were taught throughout our GCSE journey and we will zoom into the Vietnamese economy and how it plays such a vital role in the global market. Moreover, we would like to show our community partner students the wider picture such as: the stock market and global trade relations. As economics is such a vast topic we will be able to adapt to the students interests and we hope this is a successful way for our school and our community to bond and importantly to learn and grow together. As I was in another club called "Economics Honors Society" where we were taught the basics of the stock market using a simulator online called Investopedia, I would also like to use this tool to teach our Vietnamese students about how the stock market functions and its fundamentals, therefore we decided to use a computer room. In addition, I took part in a club called "Teaching English" where we taught younger Vietnamese students about the basics of our language. I found it amazing and my friends and I were inspired to create "Project Economic" as it would blend the 2 previous clubs together. We truly hope that our club gets through since we would love to grow it and expand in the future as we become more experienced.
U13 Mixed Cross Country	Year 7, Year 8, Year 9, Year 10, Year 11, Year 13	15:55	16:55	16	Robert Holbrook	BIS Sports Field	BIS Sports Stars. This will be a selective squad based on passing a trial. A high level of skill and commitment is required. This CCA will run from September until November.
U13 Recreational Football	Year 7, Year 8, Year 9, Year 10	14:50	15:50	24	Robert Brownrigg	Secondary - Astro/MPR	Come and enjoy playing this sport for fun with friends in a social manner.
U13 Recreational Volleyball	Year 7, Year 8, Year 9, Year 10, Year 11, Year 12, Year 13	14:50	15:50	24	Paul Ripin	Secondary - Sports Court	Come and enjoy playing this sport for fun with friends. This CCA will run from September until December.
U13 FOBISA - Girls Football	Year 9, Year 10 (Selected students only)	6:45	7:30	16	Kelly Mason	BIS Sports Field	BIS Sports Stars. The FOBISA team is a selective squad based on passing a trial. A high level of skill and commitment is required. This CCA will run from September until November, building towards the overseas FOBISA Games in Thailand. Students must trial in football, swimming, basketball and athletics.

You would not want to miss out on the opportunity to take advantage of a wealthy growing (and increasingly competitive) market. Learn and develop modern entrepreneurial skills and other quantifiable skills by building yourself a successful online business where profits will contribute to various local charities in Vietnam.
Dungeons and Dragons Club	Year 7, Year 8, Year 9, Year 10, Year 11	14:50	15:50	40	Mark Jones	Secondary - Room 432	Dragons is a roleplaying game about storytelling in worlds of swords and sorcery. It shares elements with childhood games of make-believe. Like those games, DND is driven by imagination. It about picturing the towering castle beneath the stormy night sky and imagining how a fantasy adventurer might react to the challenges that some presents. Players roll dice to resolve whether their attacks hit or miss or whether their adventurers can scale a cliff, roll away from the brink of a magical lightning bolt, or pull off some other dangerous task. Anything is possible, but the dice make some outcomes more probable than others. Working together, the group might explore a dark dungeon, a ruined city, a haunted castle, a lost temple deep in a jungle, or a lava-filled cavern beneath a mysterious mountain. The adventures can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.
