A NORD ANGLIA EDUCATION SCHOOL

Session 1 2023-2024 Clubs & Athletics Booklet

Welcome to the British International School of Boston's Club and Athletics Guide for Session 1 2023-2024. We hope that this guide will enable you to quickly find all the exciting activities being offered to each year group across the school.

Unless otherwise specified, session 1 clubs will run from September 5th to November 17th. The standard club time runs between 3:30 p.m. - 4:30 p.m., however, a few will run outside of these times – check listing for details. Clubs are open to students in Reception through Year 13.

Registration for this session will be available to parents via our registration software program SchoolsBuddy, but this guide is available for you to pursue the options offered. When SchoolsBuddy registration opens, you will be able to register for activities in preference order, per day, for your child/children. SchoolsBuddy will then try and match as many students as possible to their preferences. Please note the following items:

- If you want siblings to have clubs on the same day, then ensure preferences reflect this please.
- Please note that you are paying for the entire session. There will be no pro-rating of the fee if your child decides to discontinue a club or misses a session.
- Please note that many clubs have a maximum participant count. Please keep this in mind as you are ranking your child's clubs.

Most internal clubs are free of charge. However, clubs that do require a fee are clearly marked in the course notes. Any fees must be paid through SchoolsBuddy once a place is confirmed and prior to the start of the session.

Should you have any questions about any of the clubs or athletic offerings, please contact the Main Office at Main.Office@bisboston.org and we will be happy to assist you!
