The School Year

The average number of school days is 180, split into three school terms. The first, Autumn Term, runs from 25th August until the middle of December. After a break for Christmas and New Year festivities, school recommences in early January for the Spring Term. Just before Easter, the Spring Term ends and, following a holiday break, the third and final term of the School Year begins. This Summer Term runs until 23rd June when the School Year formally ends. During each term, there is a half-term break of up to a week. The school is also closed for Slovak public holidays.
