

# ACADEMIC RESULTS 2023

## INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY EDUCATION (IGCSE)

## INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME (IBDP)

# WE LIVE OUR VALUES

The British International School Budapest is a caring, multicultural community where the development of the intellect is complemented by the pursuit of personal and interpersonal growth.

## WE ASPIRE TO EXCELLENCE

We pursue deep learning in all that we do, through disciplined inquiry, reflection and perseverance

## WE ACT WITH INTEGRITY

We are true to ourselves, our values and our community.

## WE EMBRACE DIVERSITY

We believe that each child's individuality is defined through our differences and that together we can achieve more than we can alone.

## WE CULTIVATE RESPONSIBILITY

We foster personal responsibility and global citizenship for a sustainable, peaceful future.

## WE NURTURE EACH STUDENT'S AMBITIONS

through the development of the skills, resources and dispositions to thrive, in school, through university and throughout life.

# WHAT MAKES US SPECIAL

The British International School Budapest provides a stimulating and challenging curriculum which includes the best from England, Hungary and the world.

Underpinned by British traditions, our contemporary approaches cultivate responsibility and ambition, nurturing our students' essential characteristics such as creativity, independence, integrity, adaptability and resilience which we believe will serve them well beyond the classroom and throughout their lives.

- We are part of the Nord Anglia Education family with over 80 schools worldwide
- The British International School Budapest has over 1040 students
- Our students study the English National Curriculum up to age 16 and then the International Baccalaureate Diploma Programme from age 16
- Our community is made up of over 60 nationalities.

*"This is an excellent set of results, some of the best in our school's history. These results allow our Class of 2022 to enter the very best universities around the world and pursue their interests and passions. The results are evidence of their academic skills and knowledge but also their ability to thrive in the most challenging of circumstances. We are extremely proud of them and I am excited to see what they achieve in their futures."*
