

Now do it yourself!

Here are some step-by-step instructions!

How to Make a Pendulum Painting

1. Lay out your materials.
2. Cut off the top of the bottle (make sure an adult does this part).
3. Punch one hole into each side near the top of the bottle.
4. Measure and cut your string.
5. Tie string to your punched holes (leave room for suspension).
6. Add paint & mix with water.
7. Suspend paint bottles from the pendulum (or your pole and supports).
8. Spread your material beneath the center of the pendulum.
9. Swing your paint and watch the art.
