The IB Dress Code gives students particular freedom with regard to their dress. Instead of a school uniform, students are permitted to dress as adults would in a professional environment (i.e. to wear what may be termed 'smart professional business dress.) We expect students to exercise this privilege responsibly and not to allow it to distract them from focusing on learning.

**Top:** Long or short sleeved collared shirt with a tie or bow-tie for males. A blouse or shirt appropriate for a professional environment for females.

**Bottom:** Smart, tailored trousers (no denim) for males or females. A skirt or dress (no denim or leggings) appropriate for a professional environment for females, and must be at the knee or below in length.

**Shoes:** Sensible business shoes appropriate for a professional environment. No sandals or flip-flops.

## Standards of Dress in Year 12 and Year 13

### General Advice

Students are advised to dress at all times as though attending a smart business environment.

### Jewellery

Allowed: Stud earrings, unobtrusive rings, bracelets, items which are generally accepted as discreet and suitable for a professional environment.

Not allowed: Facial piercings.

### Make-up

Allowed: Subtle blusher and subtle eyeliner.

Not allowed: Lipstick, heavy eye liner, false nails, garish nail varnish or shellac.

Students will be asked to remove any make-up or nail varnish if it does not align with the school's agreed standards.

### Hair

Hair must be neat and tidy with no extreme styles or colours. Boys' facial hair must be neat and groomed.

### Others

The full IB Dress Code is made available to students and parents at the start of the school year. If you require a copy, please contact your child's Form Tutor, any member of the IB Team or Mrs. Emma James, Deputy Head Pastoral.
