

ACORNS & OAKS

The British International School of Washington complements high-quality education with an on-site afterschool provision for children aged 2-11. We call this programme Acorns & Oaks.

As a member of Acorns & Oaks, your child:

- Is in a safe and stimulating environment;
- Is given generous care and attention from our team of passionate educators;
- Will play and learn with a range of children and adults;
- Is in a setting which values a strong parental partnership and seeing your children thrive.

Acorns & Oaks is open every school day from 3:20pm – 6:00pm.

Each structured session is led by BISW staff and includes the following:

- Outdoor time
- Engaging activities, such as board games, reading, construction toys, arts and crafts, etc.
- Support with homework
- A snack

Covid-19 Provisions

Please note that in being a part of this programme your child will be part of the Acorns & Oaks cohort in addition to their class cohort. Therefore, if there is a positive Covid case in either of their cohorts, they will be required to follow BISW's quarantine protocols. Furthermore if there is a positive case in their Acorns & Oaks cohort and not their academic cohort, children will not have the option of a synchronous online learning provision as their teacher will be in school.
