

Year 3 Back to School Learning Core: English, Maths, Science / Topic				
		English	Maths	Science / Topic
W/B August 15	1	<p><u>Instructions</u></p> <p>Find a set of instructions for a recipe you would like to make. Follow the instructions and take a photo of what you made.</p>	<p><u>Addition and Subtraction</u></p> <p>Using the following website, practise adding numbers up to 20 quickly: <a href="https://www.topmarks.co.uk/addition/robot-addition">https://www.topmarks.co.uk/addition/robot-addition</a></p>	<p><b>Extreme Earth</b></p> <p>Can you find out: How does an earthquake form? What makes a volcano explode?</p>
	2	<p>Make your own set of instructions for a recipe.</p>	<p>Using the following website, practise subtracting numbers up to 20 quickly: <a href="https://www.arcademics.com/games/mission">https://www.arcademics.com/games/mission</a></p>	
	3	<p>Ask someone in your family to follow your instructions and take a photo of what they made.</p>	<p>Use the following online activity to practise both addition and subtraction. Choose your own level to suit you: <a href="https://www.topmarks.co.uk/learning-to-count/blast-off">https://www.topmarks.co.uk/learning-to-count/blast-off</a></p>	<p><b>Extreme Earth</b></p> <p>Can you find out: What makes a volcano explode?</p>

	<p><b>4</b> Choose some toys (blocks or Lego would work well) and build a structure. Take a photo of your structure.</p>	<p>Have someone from your family test you on some addition and subtraction questions up to 20. Can you solve problems with larger numbers?</p>	
	<p><b>5</b> Think about the structure you made yesterday. Write down what things you used to build it and what steps you took. Read your instructions to someone in your home.</p>	<p>Think about which online activity you found the hardest this week. Go back and practise this game today.</p>
