

Keep our Oceans Clean

Global Campus/STEAM Leadership Qualification Task

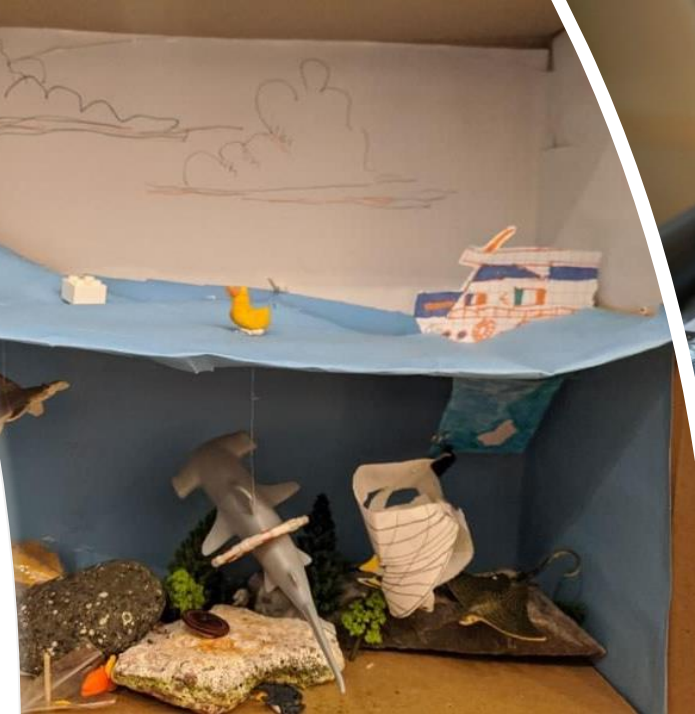

BSB is going to promote the Global Campus/STEAM Leadership Group for the Whole of the academic year 2023/2024

To qualify as a leader and be part of the Global STEAMers you must enter a competition which requires you to complete 3 tasks.

1. Design a Keep our Oceans Clean poster.
2. Present a 1 minute video explaining your views on this subject.
3. Produce a diorama of a polluted marine environment.

Example of an
Ocean Pollution
diorama

Once you have completed the tasks ..

- Give these to your teacher to look after or post them on Seesaw.
- Mr Casey will come round to your classes on Friday the 8th of September to look at what you have done and talk to you about your ideas.
