

Season One Co-Curricular Activity Programme: 18th September – 16th November 2023

Tuesday ASAs

Name	Staff	Day of the Week	Year Group	Max #	Location	Description
Reading Club Y5/6	Mrs Wettach	Tuesday	Year 5 and 6	18	A304	Are you interested in books? Then this is the right place for you! We will be reading books together and discussing meaning, context and vocabulary.
Intermediate Chess Club	Mr Raine	Tuesday	Year 4, 5 and 6	20	A307	Intermediate Level: Chess is one of the oldest games in world, going back 1500 years! If you are interested in developing your skills and using strategies to play logically and strategically; then come and join us.
Debate Club	Ms Van Niekerk	Tuesday	Year 4, 5 and 6	16	A319	Together we will learn how to put together well-formed researched arguments and develop listening skills by responding to opposing opinions.
Scratch Coding	Mr Wanjara	Tuesday	Year 4, 5 and 6	24	A218	You will learn coding skills using the Scratch program. Scratch coding is the process of writing and running programs using Scratch, a free programming language and code editor that helps young learners understand coding logic using blocks and visual aids.
Art Y3/4	Ms Zondie	Tuesday	Year 3 and 4	16	A118	Learn different techniques and develop your creativity using art as a medium.
Ocean Conservation Club	Mrs Peebles	Tuesday	Year 4, 5 and 6	16	A218e	Students will have an opportunity to learn more about marine life, the challenges that the ocean is facing,

						reasons why the ocean is so important, and how we can help.
Colouring and Art Club	Ms Coco and Ms Gloria	Tuesday	Year 1 and 2	20	A216	Get creative. We will create our own colouring patterns and get arty with paint and craft materials.
Lego Y1/2	Ms Zhizhi and Miss Julie	Tuesday	Year 1 and 2	20	A203	With a bucket of Lego, you can tell any story. You can build an airplane or a dragon or a pirate ship - it's whatever you can imagine. Come and create together.
Football Boys	PE Department	Tuesday	Year 5 and 6	24	Astro-Pitch	Develop your football skills, work together as a team and play games.
Football Girls	PE Department	Tuesday	Year 5 and 6	24	Astro-Pitch	Develop your football skills, work together as a team and play games.
Reading Club Y3/4	Mrs Kammerer and Ms Judy	Tuesday	Year 3 and 4	20	A207	We will read some great stories, look at interesting vocabulary and share our favourite authors.
Beginner German Language	Mr Graeber	Tuesday	Year 4, 5 and 6	16	A318	This is for beginners (not students in GPS) to learn basic phrases in German and be able to participate in simple conversations.
Mandala	Mrs Bourne	Tuesday	Year 5 and 6	16	TBC	In their most basic form, mandalas are circles contained within a square and arranged into sections that are all organized around a single, central point. They're typically produced on paper or cloth, drawn on a surface with threads, fashioned in bronze, or built in stone. While extraordinary as a standalone work of art, mandalas hold symbolic and meditative meaning beyond their vibrant appearance.

						We will create our own Mandalas on paper in a relaxed atmosphere that will enhance well-being.
Moonshot Labs	Outside Provider and Ms yuki	Tuesday	Year 1 and 2	18	A111	<p>Science Adventures: Innovative Imagineers Part 1 Greetings from the magical world of Disney! Join us as Innovative Imagineers (Part 1) to unleash your wildest imagination and endless curiosity. We will conjure color changing apples in Snow White, help the toys with their adventures from Toy Story and crack frozen eggs from Ice Age.</p> <p>Y1/2 - Cost per student - 1500RMB for 8 weeks</p> <p>Company introduction: Moonshot Labs: Science Experiments introduces students to the fundamental sciences via the United Nations Sustainable Development Goals (SDGs). Through hands-on experiments, students develop a scientific mindset and build creative thinking and problem solving skills to tackle the world's most pressing problems. Our curriculum is jointly developed by sassy scientists, eclectic engineers, radical researchers, and eccentric educators from Harvard, Caltech, the United Nations, Tesla, and more. Come join us this sciencey season!</p>
KS1 Maths Club	Mr Sear	Tuesday	Year 1 and 2	18	A109	Making Maths Fun. Come along to enjoy a practical, engaging and interactive learning experience to secure and further students mathematical knowledge.

Roots and Shoots	Ms Warman and Mr Cox	Tuesday	Year 3, 4, 5 and 6	20	A321	Teamwork, communications skills, ability to research independently, problem solving, organizational skills and public speaking – these are all skills you will be using in Roots and Shoots as we look at protecting the environment and develop our school garden environment.
Global Steamers	Mr Casey and Ms Sherry	Tuesday	Year 3, 4, 5 and 6	18	A220	Invitation Only – Please see the attached instructions about how to apply.
Multi-sports	Mr White and Ms Taryn	Tuesday	Year 1 and 2	18	Mini-Astro Turf	Learn to play lots of different games, practice sports skills and have a fabulous time.
Chinese Academic CCA	Ms Huang	Tuesday	Year 4, 5 and 6	8	A204	Invitation Only

Wednesday ASAs

Name	Staff	Day of the Week	Year Group	Max #	Location	Description
Moonshot Labs	Outside Provider	Wednesday	Year 3 and 4	18	A111	<p>Science Adventures: Daring Doctors Part 1 Get ready to peer into the 37 trillion cells we're made of and crack the code of the human genome as Daring Doctors!
