Uniform Guide

The British School of Beijing, Shunyi

A Nord Anglia Education

Dear Parents

We are very pleased to offer to you this latest guide to our uniform. Please do keep it for reference, and feel free to ask questions for clarification at any time.

We value uniform hugely at BSB and we ask all our students to wear it smartly and with pride:

- We are very proud of our school and our identity in the BSB family, and uniform is part of that sense of identity;
- It may be an old fashioned value but I do believe that dressing smartly helps us to be ready for the day ahead; I do it myself and I know it sets the tone;
- It enables our students from over 60 nationalities to not be troubled by the need to conform to others' views on what is cool and what is fashionable. Schools with uniform eliminate one cause of undesirable peer pressure;
- Our uniform stands us out and is often seen by the outside world as a mark of quality, therefore significantly enhancing the chance of greater opportunity for our students;
- For our oldest students, the wearing of business attire is part of the rite of passage to the world of university and work, and sets a wonderful role model to the younger ones.

I know that our parents value our uniform very strongly and we remain very grateful for this.

With many thanks for your support,

Mrs. Jayne Needham
