## Congratulation !!!

Thank to all of your support we raised 112 581 Rmb for Tong Tong and Hao Ran. Everybody who participated in this event played an important part. They are now receiving the necessary treatment to save their lives. Our hearts remain with them and we will share updates with you as they continue their journey.

### 1. PTA storage renovation

It is time now for the full renovation of our PTA storage. Using a part of the money raised during our Christmas event, we are purchasing a variety of storage items to ensure that for each event all of those easily lost and damaged artifacts are stored and labeled for ease of access.

No more hunting around in dark corners under the stairs!

Our thanks to the school board for their contribution toward this project by repainting the wall and fixing lights and windows.

### 2. BSB T Shirt for parents

Want to support our kids ? Need a new outfit ? Come to see our new t-shirt specially designed to help you support our student body and BSB community !

T Shirts are available in the highly fashionable blue of the school teams 😊 so it's clear which team you are supporting.

You will find them for 99 rmb at the Uniform Sale on April 12<sup>th</sup>.

### 3. Career day 3<sup>rd</sup> may

Primary is looking for Parent volunteers who would be willing to talk and explain about their professions in a fun and casual way to the children. We hope that this event will be an eye opening experience for our young students, to see how many different career paths are there to choose from in the future.
