

Introduction

The British School of Guangzhou (BSG) is one of the largest fully international schools in Southern China. Established in 2005 exclusively for foreign passport holders aged 1-18, the school is a co-educational fee-paying day school with approximately 1000 students from 56 countries. The Secondary school runs from Year 7 to 13 and serves around 350 students.

As part of Nord Anglia Education's global campus, the school enjoys unique collaborations with King's College London, The Juilliard School, New York and the Massachusetts Institute of Technology (MIT), all of which contribute directly to curriculum development and teacher training.

The school year runs for 187 school days, starting on August 21st and finishing at the end of June. English is the language of instruction throughout the school. The current Year 13 cohort totals 19 students and will be the eleventh graduating class.

Curriculum

The British School of Guangzhou offers The English and Welsh National Curriculum to students from Year 7 to 9. In Year 10, students embark on a two-year (I)GCSE programme, resulting in an externally assessed qualification for each individual subject. Typically students complete between 9 and 11 (I)GCSEs including English, Mathematics and Science. Sixth Form, Year 12 and 13, students complete A Levels in either three or four subjects over a two-year period. Students taking A Levels sit examinations at the end of Year 12 in all subjects, except Fine Art, Music and Chinese, to achieve a standalone AS Level qualification. Students will then go on to complete the full A Level during a final year of study, with all remaining examinations sat in Year 13.

Memberships

Nord Anglia Education is a premium education provider operating 60 international and 21 bilingual schools in 30 countries. The British School of Guangzhou is also a member of the Council of International Schools (CIS) and the Federation of British International Schools in Asia (FOBISIA).

Accreditations

The school is fully accredited by Cambridge Assessment International Education and Edexcel to deliver and examine the (International) General Certificate of Secondary Education (I)GCSE, International A Level (IAL), and GCE A Level. The school is also a registered SAT test centre (CEEB: 694489).

Extracurricular & Student Leadership

At BSG we offer an extensive programme of extracurricular and student leadership opportunities, which are specifically designed to promote our core values of integrity, respect, commitment, responsibility and a love of learning. Some of the highlights of the 2022-23 programme includes the Residential Trips, Duke of Edinburgh International Award, the Extended Project Qualification, Student Council, Community Partnerships (service-learning), Enrichment Activities, Model United Nations, collaborations with MIT and Juilliard, the Student Leadership Committee and regular sports fixtures.

Internal Assessment & Academic Transcripts

All external examination results are released in August and are recorded on the Academic Transcript as 'External'. We also provide a 'Mid-Year' transcript grade for students in Year 10 to 13, which takes into consideration student performance across all internally assessed work since the start of the academic year. An 'End of Year' grade is also provided for students in Year 10. External resit opportunities are available in some subjects and, if applicable, will be clearly recorded on the transcript. Please note that we do not rank our students or calculate a grade point average (GPA).

Grade Distributions

(I)GCSE Results	2023	2022	2021	2020	2019	2018
