

2024-2025 BSG SCHOLARSHIPS

YOUR CHILD WILL LEAVE OUR SCHOOL WITH EVERYTHING THEY NEED FOR SUCCESS-WHATEVER THEY CHOOSE TO BE OR DO IN LIFE

BSG provides a range of scholarships available to prospective students wishing to join us across both Primary and Secondary school (*Year 5 to Year 12*)

Scholarships are awarded to students who demonstrate exceptional potential and remarkable talent in their chosen fields. Scholars are expected to lead by example, whether that is through their academic, artistic or other achievements, and to make a significant and positive contribution to the life of the school.

The financial value of our scholarships vary and are always offered at the discretion of the school.

OVERVIEW

- Students must join the school in Year 5 and above
- Must be eligible to study at an international school in China (i.e. hold an international passport) and not currently enrolled at BSG
- Start date as of *August 2024* (and then any time in the academic year)
- Scholarships available for up to *two years*, depending on entry point, and subject to annual review

Why study at BSG?

- Students enjoy a close, personalised learning journey across the school.
- Excellent academic results delivered as a result of outstanding teaching and learning
- Proven record of top university offers worldwide
- Unique collaborations with MIT, Juilliard, UNICEF and IMG Academy
- A welcoming and friendly community
- Safe, green campus with a range of excellent facilities that nurture a love of learning

Whether your child excels in general academics, performing arts, STEAM, or shows a specific set of leadership skills, we have scholarship opportunities available at BSG. We want your child to develop these skills even further and become outstanding leaders of the future who can work independently, think critically and logically, and who can communicate confidently.

Applications can be submitted at any time during the academic year, for entry at any point starting from August 2024, using the [Application Form](#). Submissions should include the kind of scholarship being applied for, along with a summary of achievements and a statement supporting the application. Individuals will be assessed and interviewed based on their type of application, with decisions on awards being made within 48hrs of the interview being completed.

Unique Collaborations

MIT

Through our collaboration with MIT, our STEAM programme helps students develop their creativity and problem-solving skills by tackling interdisciplinary challenges around issues facing the world today.

UNICEF

Students are challenged to make a difference locally and globally by tackling the Sustainable Development Goals and getting involved in local outreach.

The Juilliard School

Our collaboration with the world's most renowned arts institution enriches our students' love of dance, drama and music.

IMG Academy

A global leader in sports education. The first global sports education collaboration of its kind for international schools.
