

THE BRITISH SCHOOL
OF GUANGZHOU
A NORD ANGLIA EDUCATION SCHOOL

2022/23

WHAT IS THE ACADEMY?

The British School of Guangzhou Academy offers a wide range of extracurricular experiences outside of normal school hours. They're great opportunities for students to try something new and discover talents in areas they didn't realise existed, or to improve on skills they already have.

Everything from dance and science, to basketball and art is available — we work with our own teachers to ensure that what we provide is not only creative, but quality.

SK Sports Football Academy - Primary	Thursday	Yr 2-6	Primary Football Field	16	
Calligraphy Academy	Tuesday	Yr 2-6	N-CL 36	10	Chinese calligraphy has a long history. It is not only a unique art, but also a comprehensive art. Through learning calligraphy, children will develop a sense of national pride and self-confidence from childhood. Children can learn to calm down and concentrate on one thing while writing calligraphy, and cultivate good learning habits, which is also conducive to developing their personality, cultivating innovative spirit and improving their aesthetic quality. Therefore, it is a good choice for children to learn calligraphy from an early age, whether they are interested in becoming famous or as hobbies. It is very beneficial to children's mental training and habit cultivation, and will also have a positive and far-reaching impact on children's future growth.
Yoga and Meditation Academy	Tuesday	Yr 2-6	Nanhu Dance Studio	10	Regular practice of Yoga relieves Students from tension and refreshes their mind and keeps them alert. Helps Improve Concentration.
Basketball Academy	Thursday	Yr 4-6	Sports hall	20	BSG Basketball Academy for Y4 to 6 is a dedicated sports program designed to train and educate students of all ages and abilities using fundamental and dynamic training techniques. Our basketball Academy focuses on the basic fundamentals of basketball: ball-handling, shooting, footwork, passing, defense, and much more!
Chinese Brush Painting Academy	Thursday	Yr 2-6	Primary Art Studio	18	Chinese Brush Painting has fun learning how to paint with traditional Chinese brush techniques! From cute ladybugs and bumblebees to colorful tulips and angelfish, discover how easy it is to paint plants and animals with Chinese Ink and brush.
Science Club Academy	Tuesday	Yr 4-8	Science Lab 04	10	Science is the study of the world around us. As junior scientist you will learn about the science subject's biology, physics, and chemistry by observing, describing, and experimenting. Our mission is to provide an opportunity to develop hands-on skills lab, critical thinking skills and results-based outcomes necessary to understand scientific process in everyday life. Join science academy for fun science experiments and fun science facts that are sure to surprise you.

Club	Day	Age Group	Location	No. of Students	Details
Singing and Ukulele Academy	Tuesday	Yr 2-3	Music Rooms	20	Do you love the sound of the ukulele? Do you also love to sing? Why not try singing and playing the ukulele at the same time? We will start with the basic skills including knowing strings, and some simple chords in C major scale and then try to sing with the well-known songs!
Singing and Ukulele Academy	Thursday	Yr 4-5	Music Rooms	20	
Ride a Bike Academy	Tuesday	Yr 4-8	School Grounds	2	<p>For Beginners.</p> <p><u>Learning</u> to ride a bike can be a fun challenge. It is all about learning a valuable skill that will last a lifetime.</p> <p>First we will start with balance, coasting and braking, then we will progress to pedaling, all on flat ground. Afterwards, we will learn to change gears correctly, and understand how this can improve our cycling skills. Finally, we will progress to riding up and down hills, with careful gear changing and braking – keeping the bike under control. After attending this club students will have a significantly greater level of confidence and competence with cycling, opening up a 'new world' of opportunities!</p>
Science and Amazing Tricks Academy	Thursday	Yr 4-8	Science Lab 03	5	<p>Learn about Science through some amazing experiments.</p> <p>Some amazing potential experiments you could do... include:</p> <p>Turning copper into 'silver'.... and then into 'gold'! -Learn how to completely crush a soda can by touching it with water! - Making a huge amount of 'toothpaste' for an elephant!</p> <p>All of this and more can open-up a 'new world' of understanding and confidence in Science, through lots of hands-on experiments under the supervision of Dr Emmerton!</p>
Kung Fu Academy	Thursday	Yr 2-6	Nanhu Dance Studio	20	<p>Children learning Chinese Kungfu can not only strengthen their body, but also cultivate their endurance and willpower. While learning a complete set of Chinese Kungfu movements, it can improve children's memory and attention.</p> <p>In my Chinese Kungfu class, I will stimulate children's understanding and interest from various perspectives, in order to exercise children's spirit of being hardworking and strong willpower. At the same time, Chinese Kungfu pay attention to politeness. I will explain etiquette and code of conduct to children to help them form a good habit of politeness.</p> <p>I believe that Chinese Kungfu can promote children's all-round development and become more confident.</p>
