Students view:

“This is my second year living in Louis Yung 7 and I like this house for three main reasons. I like living in this house because I do not feel that I am at a boarding school, I feel like i’m at home because the house is very cozy and a comfortable place to be.

Even if it is quite far from school, I like that I can have a walk in the morning and do not feel that I am always at school. Also the house is always very quiet and I can better concentrate on my studies because all the girls are mature.”
