“ Villa du Lac is not just a boarding house, it’s a home for all of us. The amazing thing about living in a house like ours is that you have a space to be by yourself, yet you are surrounded by so many different people with such different personalities! You always have a sense of family and support – whether it is your roommate, house parents, or housemates.

Living in Villa du Lac is a little like a packet of Skittles - you don’t really know what flavours you are in for. But once you start eating, you can’t stop! You just love it.”
