BOARDING HOUSE

## Welcome to JB Terray

JB Terray is located a short 5 minute walk away from the campus, in a quiet residential area. It is very popular with our older students who appreciate the preparation for independent university living, and the beautiful villa is the highlight for students in their final year!

All the rooms have Wi-Fi, and they are mostly twin-sharing. There is a fully equipped kitchen, a laundry, a large sitting room with television and Wii, and a 'chill-out' room. Students appreciate the privacy, the beautiful garden and the opportunity to walk to school in a setting of natural beauty.

### Students view:

“Living together with so many different nationalities here is just the best.

You are just a little bit outside the campus, but it's great. I have perfect friends here, we have fun, they are good people, with lots of energy and lots of smiles.

It's an incredible place to be a boarder.”
