2. ENROLMENT AND EDUCATIONAL PROVISION – GENERAL CONDITIONS

2.1 Admissions, Enrolment and Re-enrolment

Parents enrol their children at the School through the online application form on the school website and submit the required documentation, usually including reports from previous schools and any specialist input.

If a place is offered, the acceptance letter will contain the School's bank details for payment of the registration fee, which should be settled within 10 days. A school place is not secured until the registration fee payment has been received and the Terms and Conditions Enrolment Contract has been signed and acknowledged as returned to the School.

Paragraph 3.3 below gives details regarding deadlines for re-enrolment or withdrawal in future years.

2.2 Educational Programme and Placement

La Côte International School Aubonne will accept only those students whose needs can be met by the School.

The confirmation of acceptance letter is offered based on the information available to the School at the time of accepting the student. The School reserves the right to cancel the contract if it deems that the information supplied was inadequate or incorrect.

2.3 Health and Well-being

It is our top priority to protect the health, safety and well-being of our students and staff.

The School adheres to best practices regarding hygiene routines and all aspects of safety in the educational environment. Parents and students are expected to follow these procedures. When required, the School applies public health measures in accordance with the Swiss Federal Office of Public Health.

2.4 Insurance

Swiss law requires that all residents of Switzerland have minimum medical and hospital coverage ("Assurance de base") for sickness and accidents. Families insured with non-Swiss policies must have the equivalent cover for sickness and accidents. The parents or legal guardian should insure children for any accidents and illnesses that may occur during School and extracurricular activities (to include helicopter evacuation if required for ski camps). La Côte International School Aubonne will not be held liable for failure to comply with these terms.

Parents are required to have a liability policy to cover possible expenses and damages caused by their child within the context of the School, both inside and outside of the School.

La Côte International School Aubonne reserves the right to take all necessary actions in the best interest of the health and well-being of the student. Parents explicitly authorise La Côte International School Aubonne to take all necessary actions to provide medical treatment to the student and agree to pay all expenses incurred at the School's discretion for the medical treatment of a student. A copy of the health insurance coverage must be provided to the School upon enrolment of the pupil. Any changes of the Health Insurance provider must be notified to the School immediately.

2.5 Living Arrangements

In order to be accepted by La Côte International School Aubonne, all students must have a residence permit for Switzerland, with the exception of Swiss nationals. No reimbursement or discount is possible in case of visa refusal or late arrival due to visa issues.

Students must live with their parents or a close family relative who can be named as a legal guardian, and the School reserves the right to terminate the enrolment contract if this is not the case.

2.6 Exclusion from School

The School may temporarily or permanently exclude a student for serious misbehaviour. This may include violence, intimidation, bullying (including cyberbullying), any form of racism or other bigotry, the possession of drugs, committing a criminal offence, serious breaches endangering the health and safety of others, or blatant refusal to comply with school expectations. This list is neither exhaustive nor exclusive as the decision rests with the Principal. Any student found to be supplying illegal drugs inside or outside the School will be permanently excluded.

2.7 Additional Activities and Service

The School provides some mandatory residential and off-site activities – these are listed in the fee section below. The following services are also available to students at an additional cost:

- Learning Support (LS), English as an Additional Language (EAL) (beyond the School's normal provision for all students)
- School uniform
- Transport service
- Lunch
- Some optional extracurricular activities (the School offers many after-school activities at no additional cost)
- Extended care provision
- Private classes (e.g., music lessons)

2.8 Learning Support (LS) and English as an Additional Language (EAL)

La Côte International School Aubonne is an inclusive school. On a case-by-case basis, it welcomes children with identified learning difficulties when we feel we can offer them the support they need. Individual needs should be discussed in advance with the admissions team, the Principal, the Heads of School and the Learning Support Coordinators. Failure to disclose relevant information can lead to a delay in providing suitable support for the child and can compromise the effectiveness of the class.

Any additional LS or EAL sessions beyond normal school provision will be provided on the condition that the additional costs are met by parents or their fee sponsor. Exceptionally, the School reserves the right to terminate the enrolment of a child where the required additional financial support needed cannot be provided, or the needs change significantly after the child has joined the School.

2.8.1 Learning Support (LS) and English as an Additional Language (EAL) Fees

Support sessions are not charged if the School is given 24 hours advance notice for cancellations or if there is a school event when the lesson is due to take place and it is not replaced. All other sessions will be billed. All fees are in CHF.

Individual Lessons (60 minutes)	80
Group Lessons of 2-3 students (60 minutes)	55

2.9 Uniform

All students are expected to wear the official, age-appropriate school uniform and sports uniform.

2.10 School Transport Service

The rates apply for the entire academic year for 5-day weeks and are charged according to zone. There are 3 zones based on distance. Partial-week rates are not available, nor reductions in case of absence or irregular school hours. Those who register for roundtrip service will be given priority if registrations exceed capacity. As places are limited, we encourage parents to register for bus services as soon as possible by email or on the enrolment/re-enrolment form.

Transport fees are billed according to the requirements in section 3.2.

Cancellation requests should be made in writing and sent to transport@lcis.ch at least two weeks before the end of the Term. Failure to comply with this condition will result in being charged in full for the service.

2.10.1 Routes and Bus Schedules

The school bus service is not guaranteed to be a “door to door” system. Traffic flows and the presence of safe parking areas will determine the location of the bus stop. Routes must have a minimum of 4 students to operate. Any changes of residence midway through the year must be communicated in advance to the transport office and will only be accepted if these do not negatively impact other families on the route. Families joining the School after the commencement of the school year may join the bus service if space allows and if they can use an existing bus route.

For students who are not registered for bus transport, we offer an ad hoc service for occasional use. Details are found below. Ad hoc requests must use existing bus routes and be sent by email at least 48 hours in advance to transport@lcis.ch and confirmed by return email.

2.10.2 Transport Safety

Our bus service is normally available to children from age 4. Seat belts and safety equipment on the buses (child seats and boosters) are used in accordance with Swiss traffic laws. All students are required to maintain safe and appropriate behaviour during the bus journey. The School will deny school bus transport to students who do not conform to safe behaviour expectations. Drivers employed to work for our School are all professionally qualified and meet all legal Swiss and Nord Anglia Education standards for best practice. They receive annual professional development and training.

All students have the choice of using the School's lunch service or bringing a packed lunch. Parents who opt for the lunch service may enrol their child on an annual or a termly basis. Students will have the choice of two options each day, a traditional menu, and a vegetarian menu together with salad and dessert. Students who use the lunch service will be provided with a packed lunch for school outings or trips when necessary.

Children in Foundation 1 who attend School only in the morning may stay until 11h45 without lunch or may choose to remain in School until 13h00 with lunch.

La Côte International School Aubonne will, wherever possible, provide special meals based on ethical, religious, or medical needs.

Where an individual child requires a diet beyond the normal capabilities of our kitchen, parents may need to supply a packed lunch. For food allergies and intolerances, a medical certificate is required before meals can be served in the school restaurant. The School declines any liability in the case that medical certificates have not been provided.

No reduction or refund will be considered for absences except children in Year 11 and Year 13 who will qualify for a lower rate due to the exam period.

Consent will be refreshed where any changes in circumstances occur – this can include, but is not limited to, the following:

- a) New requirements for consent – i.e., an additional purpose other than described above
- b) Changes to a Student's circumstances, e.g., safeguarding requirements, mean a Student's image cannot be used; or
- c) Any changes in the law

4.4.3 Withdrawal of Consent

If consent is withdrawn, the named School representative above will acknowledge receipt of the request in writing by letter or email. The School will delete the file from its image bank within one month of receipt of a request by Parents and will not use it in any new material produced from the date of the letter. Material previously issued, which includes the photograph/film, may, however, remain in circulation or online, but it will not be included in any future reprint.
