

FEE POLICY 2023/24

Updated January 2023

Discounts

- 3% annual payment discount where tuition fees for the academic year are paid in full prior to Monday 21st August 2023.
- Sibling discounts may be offered where three or more children from the same family attend school with 5% sibling discount for 3rd child, 10% for 4th and more.

Registration and Admission Fees

Notwithstanding the conditions mentioned in the parent-school contract, the registration and admission fees are regulated as follows:

525 AED non-refundable application fee (inclusive of 5% VAT)

New students

We will charge 5000AED as an admission deposit to confirm that selected students will opt to take up the offered places. This fee should be deducted from the total tuition fees for the academic year in which the admission is being sought and therefore is non-transferable. This deposit is non-refundable and valid only for one academic year.

If new students enrol at a school during the course of the academic year, the school can change tuition fees starting from the month of enrolment. (For example, if a student enrolls in a new school in the 3rd week of October, the school can charge tuition fees from the beginning of October).

Existing students

20% of the school's tuition fees as a re-registration deposit to confirm the return of existing students in the new academic year. This deposit should be deducted from the total tuition fees for the academic year in which the admission is being sought.

Refund

In the cases of both existing and new students, deposits and fees will not be refunded if students choose not to return to school for the next academic year or choose not to take the offered places. However, a school may choose to refund the deposit under special circumstances. These circumstances include, but are not limited to, evidence of family relocation to another country or another Emirate. Such cases may be submitted to KHDA for study.

In the case of refund and recovery, the school fees will be calculated as follows:

- If the student attends school for two weeks or less, a month's fees will be deducted.
- If the student attends school for a period ranging between two weeks and one month, two months' fees will be deducted.
- If the student attends for more than a month, three months' fees will be deducted.

The value of the fee per month is calculated by dividing the total tuition fees by ten. Charges for books and school uniforms will not be refunded, but the above conditions for refund apply to transportation fees provided by the school.
