

In order for us to contact you quickly and easily, your child needs to have an **Emergency Contact Form** completed by his/her parent/guardian and kept on file in the school office. Please keep this information updated throughout the year.

## Welcome to issue 14 of the NAS Jakarta Newsletter 2021-22

It was lovely to see a large number of families at our NAS Family Afternoon on Wednesday. If you were able to attend, I hope you enjoyed the opportunity to meet other parents and our Parent Ambassadors, especially if you joined NAS recently.

You are probably aware that there was an announcement this week about a change in wearing masks outdoors. Having consulted the principals from the other international schools in Jakarta, we are waiting for the written direction from the local authorities. We will, of course, let you know as soon as students can stop wearing masks outdoors on campus.

Two important reminders for next week:

- The photographer will be in school on Tuesday 24th and Wednesday 25th May and your child needs to wear batik for their school photographs
- School is closed on Thursday 26th May for the public holiday

Wishing you a happy weekend!

Kind regards,

**Rosy Clark**

Principal

## What's New!

## 55th Anniversary T-shirts

2022 marks 55 years of our school's existence and we would like to celebrate! Towards the end of 2022, we hope to be able to hold an event on campus, we are contacting former families of the school for photos and memories from the past 55 years and we are also arranging for some anniversary T shirts to be made which will be available next term.

Recently we held a competition for the children to submit their T shirt designs and we are delighted to announce the names of the students whose designs have been chosen:

**Mitsuha (Year 2 Orangutans) and her sister Mizuki (Year 4 Kuskus)**

**Brian (Year 4 Kuskus)**

**Harrison (Year 4 Kuskus)**

This week our Pari Manta students have participated in Nord Anglia's STEAM festival for Year 6 – Year 8 students with 11 schools in South-East Asia taking part.

The theme of the festival was “Extreme Weather” and students were presented with a challenging scenario:

“After studying melting ice in the Arctic, scientists are predicting that sea levels will rise by 250 metres in 10 years.”

The NAS team, along with the teams of students from the other Nord Anglia schools, were asked to generate ideas, research, plan, design, build, test their prototypes and evaluate in response to this challenge.

During the two days of the festival, our team also met with their buddy teams from BVIS Hanoi and Dover Court Singapore several times. These meetings engaged the students in discussions, feedback on their ideas and explanations about their learning all “in the moment”. Mr Alf was extremely proud of the quality of our students' contributions at these meetings.

The festival ended with a special assembly and each school is now required to upload their team's final video submission to Global Campus.

Congratulations to our team for their enthusiasm, as well as the excellent level of their learning and outcomes. We can all feel extremely proud of the way they represented NAS at the Nord Anglia STEAM festival 2022.

## Celebrating birthdays at NAS Jakarta

Families often want their child's class to share in birthday celebrations and we are happy to support this.

Please follow the following procedure if you wish your child to bring anything to school to celebrate their birthday with their classmates:

- Please notify your child's teacher in advance that you would like your child to bring birthday cake to school for their class and agree the most appropriate day/time.
- Your child may bring their birthday cake to school themselves. Alternatively, please arrange with the teacher for the cake to be delivered to the school office.

- **Birthday cake only** (no snacks, party bags, gifts).
- As food cannot be shared due to Covid protocols, please provide **individually wrapped pieces of cake, muffins or cookies**.
- We respectfully ask you to try to use environmentally friendly packaging.
- The birthday cake must be nut-free please.
- Children with allergies will bring their birthday cake home for their parents to check it is safe for consumption.

**Thank you!**

## Diary Dates

- **Tuesday 24th & Wednesday 25th May** – school photographer
- **Week beginning Monday 6th June**  
‘NAS Jakarta Week’ – theme days and, back by popular demand, the NAS Virtual Disco (more details to come)
- **Thursday 9th June** – trip to Portibi Lodges Ekologika for Jalak Bali and Pari Manta classes
- Term ends at **12:00 on Wednesday 22nd June**
