

In order for us to contact you quickly and easily, your child needs to have an **Emergency Contact Form** completed by his/her parent/guardian and kept on file in the school office. Please keep this information updated throughout the year.

Please fill out one form per family. Click the button below to fill out the form

Welcome to issue 10 of the NAS Jakarta Newsletter 2024-25

Dear parents,

I would like to take this opportunity to thank you all for your support this year. Many of you have been actively engaged in various ways as a Parent Ambassador, Class Parent, library or reading helper, Culture Corner creator, ECA provider and more. We held a "Thank You Tea Party" for parent volunteers this afternoon with sweet treats and entertainment by NAS Voices and Bollywood ECA. Active parent engagement is a special feature of the NAS community that really makes a difference – thank you everyone.

The last Culture Corner of this year was created by our Korean community and as ever the children have thoroughly enjoyed interacting and learning in this space.

This year's final newsletter includes a round-up of just some of the many end-of-year events. Our winning footballers and swimmers are featured too. The 2024 - 2025 year has drawn to a close with the exciting announcement that our long-awaited Secondary block is coming soon. Please follow this link for more.

So, please enjoy some reminders of the past few weeks through the photos below, and don't forget to check the dates for your diary at the end of this newsletter for key events in August.

It's been a busy year when many new families have been welcomed to NAS, continually renewing the fabulous international diversity of our school. This week we say goodbye to those of you who are moving on, including some families who are relocating from Jakarta after a very long time here. We will miss you all.

Wishing you a wonderful summer break and we look forward to seeing our NAS students again in August!

Kind regards

Rosy Clark

Principal

Football Success!!

This year ended with our U9 football team as runners up in the JSCL Cup Competition and winners of the JSC League Competition. We look forward to two NAS Jakarta football teams competing next year!

Swim Squad

An impressive NAS Jakarta Swim Squad won medal after medal at the recent Swim Meet held at AIS. Regular training and a strength of spirit helped our swimmers to success in the pool.

RESIDENTIAL EXPERIENCES

An Education
Driven by
Values

Residential Trip

Year 4, 5 and 6 had great fun in the outdoors of the Sentul area for their residential trip earlier this month. A new development this year was a night under canvas for Year 5 and Year 6!. Learning was linked to IPC units studied this year at school.

Year 3 Sleepover

An extremely excited group of children returned to school last Friday evening for a pool party and dinner, followed by a sing song in the library before sleeping at school. This fun experience ended with a family breakfast on Saturday morning.

PERFORMANCE

An Education

Values

Early Years Sing Along

Our youngest students were simply amazing during their Sing Along last week! The progression in confidence and engagement with music could clearly be seen from our Pre-Nursery students to Foundation 2 who showed their readiness for Year 1 in August.

End of Year Performance

Such a wide range of music and dance performances from soloists to instrumental and dance ECAs were enjoyed by the audience at the End of Year Performance.

IMPORTANT REMINDERS

PARENT HANDBOOK

Medicines and health issues

We carry out first aid training for our staff in both English and Bahasa Indonesia twice a year so there is always a high proportion of staff with up-to-date certification from an internationally recognised provider.

Whilst there is no nurse on campus, we cannot administer medicines to students. If your child requires medication, please note the following:

- ▶ Sending your child to school means that you consider s/he is well enough to participate fully in their day of learning including PE or swimming.

- ▶ Prescribed medicines must be administered at home before / after the school day. Alternatively, a parent or nanny may come into school and make use of the school clinic to administer prescribed medicine.

- ▶ If your child falls sick during the school day or is injured, we will call you and carry out any necessary first aid treatment in the school clinic.

- ▶ In the event of an emergency, we will contact you but, if **necessary**, we may also arrange for your child to be transported to the nearest clinic or hospital for treatment with a member of our staff accompanying him/her.

- ▶ Any student using an **inhaler** should have this kept in the classroom.

Celebrating birthdays at NAS Jakarta

Families often want their child’s class to share in birthday celebrations and we are happy to support this. Please follow this procedure if you wish your child to bring anything to school to celebrate their birthday with their classmates:

- ▶ **Please notify your child’s teacher in advance that you would like your child to bring birthday cake to school for their class and agree the most appropriate day/time.**

- ▶ Your child may bring their birthday cake to school themselves. Alternatively, please arrange with the teacher for the cake to be delivered to the school office.

- ▶ **Birthday cake only** (NO snacks, party bags, gifts).

- ▶ We respectfully ask you to try to use environmentally friendly packaging.

- ▶ The birthday cake must be **nut-free** please.

- ▶ Children with allergies will bring their birthday cake home for their parents to check it is safe for them.
