*The level of support for EAL and SEN is determined by the school and will be communicated to parents directly in advance.*

## CONDITIONS FOR PAYMENT OF ALL SCHOOL FEES

- Late Payment penalties** All tuitions and fees are due on the indicated dates. Payments late by two (2) weeks will incur an additional 5% penalty charge; and a further penalty of 1% per week will apply to any outstanding amount beyond that date. Non-payment of fees could result in non-admission, or suspension and withholding reports and grades.
- Payments\* may be made in the following ways:
  - Preferred** – Bank transfer into one of the school's bank accounts
  - US Dollar cheque drawn on a bank in Phnom Penh

*\*Cash is accepted for balance less than \$2,000*

*Note 1: Transferring party is responsible to pay all bank transfer charges.*

*Note 2: The School does not accept payments from any sanctioned bank account as per <https://sanctionssearch.ofac.treas.gov>, or payments coming from sanctioned territories and countries (currently Crimea, Cuba, Iran, North Korea, Sudan and Syria).*

*Note 3: Any cash payment determined to be fraudulent – whether by NISC or by our registered bank is the responsibility of and shall be replaced by the family who supplied the note for payment.*

- Full tuition payment will be required for the quarter in which enrolment occurs, regardless of the date of enrollment – i.e. no partial quarterly payments will be allowed.
- Withdrawing from School** It is the parents' responsibility to complete the School's standard *Withdrawal Form* and to submit it to the office at least *60 calendar days* prior to the student's last day in school. When the student leaves at the end of Semester 1, the 60 days withdrawal period shall be counted up to the last day of Semester 1. This will ensure the refund policy is applied and School reports are issued.

The measures provided will take into account the circumstances of the relevant Force Majeure Event, including, without limitation, the provision of Virtual Schooling, the likely duration of the Force Majeure Event and the School year of the affected Students.
