Values In Action (VIA) - Character Strengths

The VIA Character Strength Survey is a 198 question survey that has been taken by over 1 million people. The VIA Survey measures 24 character strengths that are taken from 'Character Strengths and Virtues: A Handbook and Classification' by Christopher Peterson and Martin E. P. Seligman, Oxford University Press (2004).

The survey will identify your top 5 ‘Signature’ strengths – the ones that are most natural for you for you to use and develop. The character strengths are listed below. The VIA Strengths Tests for adults, young people & children can be found at www.viacharacter.org
