

## Fee Structure 2023/2024

Our enrolment policy requires an interview and academic assessment for each child prior to admissions. We accept students on the basis of their successful assessment, which may include a day in school.

### Application Fee

6,500 THB per child (incurred upon acceptance of the offer letter).

### Enrolment Fee

The Enrolment Fee contributes to the school's facility development and is required for all new students at St Andrews. For students joining Foundation Stage 1, Foundation Stage 2, or Foundation Stage 3, the Enrolment Fee payment is deferred until entry to Year 1.

**One-Time Payment:** This is a one-time non-refundable payment made on entry to the school.

**Year 1 - Year 6** • 160,000 THB

**Year 7 - Year 13** • 90,000 THB

**Sibling Discount:** There is a 10,000 THB reduction in Enrolment Fees for each additional child.

**Payment Instalments:** This is an alternative to the one-time payment option and consists of non-refundable payments of 35,000 THB per term for each child joining the school. Instalment payments should be remitted for 5 consecutive terms for students starting in Year 1 - Year 6, or 3 consecutive terms for students joining High School.

### Reservation Fee (Foundation Stage Only)

Upon acceptance to Foundation Stage 1, Foundation Stage 2, or Foundation Stage 3, we require a one-time Seat Reservation Fee of 50,000 THB. This Reservation Fee will be deducted from the tuition fee and is non-refundable.

### Tuition Fees

There are three terms in our school year and tuition fees should be settled before each term. These fees include all exercise notebooks, teaching materials and textbooks. Fees for Year 11 and Year 13 also include IGCSE/IB Exam Fees. Tuition fees invoices for the next term are sent to parents four weeks from the end of the current term.
