

2024 VILLAGE SCHOOL ATHLETIC CAMPS

CAMP INFORMATION

Join us for our developmental athletic camps this summer where we offer a variety of sports and athletic opportunities for your child to build their skills and confidence. Designed for kids in 1st through 8th grade, our camps are the ultimate destination for young athletes looking to enhance their abilities, make new friends, and embrace the spirit of teamwork. All sessions are run by our trained coaching professionals whose goal is to improve your child's skill level and motivate them to become a better all around athlete.

All camps will take place on The Village School Campus and camp can be combined with our day camp offerings to allow for a full-day camp experience.
